

WAC 314-24-105 Application procedure—Wine distributor's or importer's license. Any person making application for a new wine distributor's or importer's license shall submit to the board, as a condition precedent to the board considering the application, such information as may be requested by the board to include a copy of an approved wholesaler permit issued by TTB, and shall additionally submit a written commitment from a manufacturer or importer that the product the applicant proposes to distribute is available to him should a license be issued.

The decision as to whether a license will or will not be issued in a particular case is, pursuant to RCW 66.24.010, a matter of board discretion. The submission of the above information and written commitment shall not be construed as creating a vested right in the applicant to have a license issued.
