

WAC 388-76-10800 Adult family home located outside of public fire protection. (1) If the adult family home is located in an area without public fire protection, the home must have written verification of adequate fire protection from the fire authority.

(2) If the local fire authority requires the home to have additional protective measures such as a fire extinguisher with a rating other than that required under WAC 388-76-10810(1), the home must meet this requirement.
