

WAC 388-878-0020 Outpatient competency restoration program (OCRP)—Definitions. "Behavior concern report" means a report regarding behavioral concerns that may compromise program progress. This must include any noncompliance with the conditions of participation, even if such noncompliance does not rise to the level of removal from the program.

"Competency evaluation" means an evaluation performed to determine whether an individual is competent to stand trial.

"Department" means the Washington state department of social and health services.

"Forensic navigator" means department staff who are officers of the court who assist the individual to access services related to diversion and the outpatient competency restoration program.

"Health care authority" or "HCA" means the Washington state health care authority, any division, section, office, unit or other entity of HCA, or any of the officers or other officials lawfully representing HCA.

"Inpatient competency restoration" means competency restoration services performed in an inpatient setting, including a state psychiatric hospital or residential treatment facility.

"Outpatient competency restoration program" or "OCRP" means competency restoration services that are provided on an outpatient basis to clients who are on conditional release from custody.

"Provider" means the HCA-contracted provider of outpatient competency restoration services, its employees and agents.
