

WAC 392-172A-07020 State performance plans and data collection.

(1) The OSPI has established and provided to the United States Department of Education a performance plan that evaluates the state's efforts to implement the requirements and purposes of Part B of the act, and describes how the state will improve such implementation. The plan is reviewed annually and rewritten every six years or other timeline established by the United States Department of Education.

(2)(a) As part of the state performance plan, the OSPI has established measurable and rigorous targets for indicators established by the department of education under the priority areas of general supervision including child find, effective monitoring, use of resolution meetings, mediation, and a system of transition services.

(b) The OSPI must collect valid and reliable information from districts, monitoring, and state data, as needed to report annually to the United States Department of Education on these indicators.

(c) Data collected on specific indicators through state monitoring or sampling are collected on those indicators for each school district at least once during the six year period of the state performance plan or other timeline established by the United States Department of Education.

(3) Nothing in Part B of the act shall be construed to authorize the development of a statewide or nationwide database of personally identifiable information on individuals involved in studies or other collections of data under Part B of the act.
