

WAC 434-335-290 Logic and accuracy test observers. The official logic and accuracy test must be observed by at least one representative of each major political party, if representatives have been appointed by the parties and are present at the test. The party observers must be instructed as election observers by the county auditor. The official logic and accuracy test must be open to candidates, the press, and the public. If any observer hinders or disturbs the logic and accuracy test process, the observer may be removed from the test area. An observer who has been removed from a logic and accuracy test may also be barred from future tests. The absence of observers may not delay or stop the test from being conducted.
