

WAC 480-93-013 Covered tasks. (1) Background. 49 C.F.R. §§ 192.803 through 192.809 prescribe the requirements associated with qualifications for gas pipeline company personnel to perform "covered tasks." 49 C.F.R. § 192.801 contains a definition of "covered task." In WAC 480-93-999, the commission adopts 49 C.F.R. §§ 192.801 through 192.809. However, in this section, the commission includes "new construction" in the definition of "covered task."

(2) Accordingly, for the purpose of this chapter, the commission defines a covered task that will be subject to the requirements of 49 C.F.R. §§ 192.803 through 192.809 as an activity, identified by the gas pipeline company, that:

- (a) Is performed on a gas pipeline;
- (b) Is an operations, maintenance, or new construction task;
- (c) Is performed as a requirement of Part 192 C.F.R.; and
- (d) Affects the operation or integrity of the gas pipeline.

(3) In all other respects, the requirements of 49 C.F.R. §§ 192.801 through 192.809 apply to this chapter.

(4) The equipment and facilities used by a gas pipeline company for training and qualification of employees must be similar to the equipment and facilities on which the employee will perform the covered task.
