- WAC 480-106-080 Interconnection costs. (1) Any costs of interconnection are the responsibility of the owner or operator of the qualifying facility entering into a power contract under this chapter. The utility must assess all reasonable interconnection and necessary system or network upgrade costs the utility incurs against a qualifying facility on a nondiscriminatory basis.
- (2) The owner or operator of the qualifying facility must reimburse the utility for any reasonable interconnection costs the utility may incur. Such reimbursement may be made, at the utility's election:
- (a) At the time the utility invoices the owner or operator of the qualifying facility for interconnection costs incurred by the utility; or
- (b) Over an agreed period not greater than the length of any contract between the utility and the qualifying facility.
