

WAC 173-590-070 Contents of petition. Each petition to the director for the reservation of water shall include, but not be limited to, the following:

- (1) Name and post office address of the applicant.
- (2) Source of water supply.
- (3) Map showing the proposed general service area, source of supply, pipelines, distribution systems, wells and other appurtenant works.
- (4) Present and projected population in 10, 25, and 50 years.
- (5) The amount of the present and proposed use in the following categories, and the time during which water will be required each year if the requirements differ seasonally:
 - (a) Domestic water use;
 - (b) Community water uses including specific amounts for attendant commercial, industrial and irrigational uses;
 - (c) Other(s) as specified.
- (6) Copy of a coordinated water system plan, or comprehensive plan under WAC 248-54-280 if water systems are sufficiently separated so that no advantages will be realized by coordination. All review comments from the local A-95 clearinghouse on said plan shall be provided.
- (7) Information to justify the requested reservation quantity in the form of official state population estimates, regional plan or engineering reports.
- (8) A summary of ongoing and planned conservation programs. When applicable, this must summarize water usage for the previous five years including total water diverted or withdrawn, total water sold, and the quantities used by residential, wholesale and large industrial users. Status of metering of all services must be described. Rate structures should not encourage waste of the water resources and should be described.
- (9) Other data as may be required by the director.
