- WAC 182-16-066 Burden of proof, standard of proof, and presumptions. (1) The burden of proof is a party's responsibility to provide evidence regarding disputed facts and persuade the presiding officer, reviewing officer or officers, or hearing officer that a position is correct based on the standard of proof. Unless stated otherwise in rules or law, the appellant has the burden of proof in a brief adjudicative proceeding or formal administrative hearing.
- (2) Standard of proof refers to the amount of evidence needed to prove a party's position. Unless stated otherwise in rules or law, the standard of proof in a brief adjudicative proceeding or formal administrative hearing is a preponderance of the evidence, meaning that something is more likely to be true than not.
- (3) Public officers and state agencies are presumed to have properly performed their duties and acted as described in the law, unless preponderance of the evidence to the contrary is presented. A party challenging this presumption bears the burden of proof.
