

WAC 388-847-0010 What definitions apply to this chapter? "**Acute care setting**" means a hospital, an evaluation and treatment (ENT) facility, or a psychiatric hospital.

"**Behavior support plan**" means a habilitation plan written by the stabilization, assessment, and intervention facility (SAIF) addressing target behaviors that do not meet the level of medical necessity as defined in WAC 182-500-0070, based on lack of diagnosis, or impact severity affecting a medical or behavioral health condition, for which the client receives professional treatment and is not eligible for state plan services.

"**Case manager**" means the developmental disabilities administration case resource manager or social worker assigned to a client.

"**Certification**" means a process used by the department to evaluate SAIF's compliance with the requirements of this chapter.

"**Client**" means a person who has a developmental disability as defined in RCW 71A.10.020(5) and who has been determined eligible by DDA to receive services under chapter 388-823 WAC.

"**DDA**" means the developmental disabilities administration.

"**DSHS**" or "**the department**" means the state of Washington department of social and health services and its employees and authorized agents.

"**Function**" means what a client gains, avoids, or satisfies by using a behavior.

"**Functional assessment**" means a process for identifying target behaviors and their functions by observing a client, reviewing information about the client, and collecting data to:

- Determine relationships between antecedents and behaviors;
- Identify reinforcing consequences; and
- Form a hypothesis about why a behavior continues to be used.

"**Legal representative**" means a parent of a client if the client is under age 18, a court-appointed guardian if a decision is within the scope of the guardianship order, or any other person authorized by law to act for the client.

"**Medication administration**" means the direct application of a medication or device by ingestion, inhalation, injection, or any other means, whether self-administered by a client, administered by a parent or guardian for a minor, or administered by an authorized health care provider.

"**Medication assistance**" means assistance with self-administration of medication rendered by a nonpractitioner to a client in accordance with chapter 69.41 RCW and chapter 246-888 WAC.

"**Person-centered service plan**" means a document that identifies a client's goals and assessed health and welfare needs. The person-centered service plan also indicates the paid services and natural supports that will assist the client to achieve their goals and address their assessed needs.

"**Residential service provider**" means an entity that will support the client after discharge from SAIF, such as a supported living agency or a facility-based community residential provider.

"**Support**" means assistance a client receives based on needs identified in the person-centered support plan.

"**Target behavior**" means a specific, observable, and measurable behavior that requires modification or replacement.

"**Individualized team**" means the group of people who work together to provide formal and informal supports to a client. A typical team includes the client, the client's family and legal representative, SAIF staff, the client's case resource manager, managed care organiza-

tion care coordinators, the client's residential service provider, and any other service providers working with the client and family.
