

WAC 480-120-193 Posting of tariffs for public inspection and review. Each company offering intrastate telecommunications service under tariff must make available for public inspection and review all tariffs governing its provision of service, as required by RCW 80.36.100. To comply with this requirement, a company must fulfill the provisions of either subsection (1) or (2) of this section.

(1) **Web, telephone, and mail access.** The company must:

(a) Maintain a complete copy of its tariff or tariffs and all proposed tariff changes on an Internet website accessible to the public using generally available browser software;

(b) Provide a toll-free telephone number by which customers and applicants can obtain assistance during normal business hours from a company agent qualified to assist the customer in locating, interpreting, and applying tariff provisions;

(c) Upon written or oral request by any customer or applicant, deliver at no charge a copy of any current, proposed or most recently canceled tariff page that relates to the customer's or applicant's service; and

(d) Include on each customer bill and notice the address of the tariff website and the toll-free telephone number.

(2) **Physical access.** The company must make available for public inspection and copying a complete copy of its tariff or tariffs, all most recently canceled tariff sheets, and all proposed tariff changes at one or more offices in each county where it offers service, except that: A single office may serve more than one county if the office is within twenty miles of all customers in the county where no tariff is posted. The company must provide at each office either an agent qualified to assist the customer in locating, interpreting, and applying tariff provisions or access to such an agent by a toll-free telephone number.
