WAC 110-300E-0001 Authority. (1) Chapter 43.216 RCW establishes the responsibility and authority for the department of children, youth, and families to set and enforce licensing requirements and standards for licensed child care agencies in Washington state, including the authority to adopt rules to implement chapter 43.216 RCW.

(2) Pursuant to section 28, chapter 304, Laws of 2021:

(a) The department must establish a licensed outdoor nature-based child care program.

(b) The department must adopt rules to implement the outdoor nature-based child care program and may waive or adapt licensing requirements when necessary to allow for the operation of outdoor classrooms in Washington state.

(c) The department must apply the early achievers program to the outdoor nature-based child care program to assess quality in outdoor learning environments and may waive or adapt early achievers requirements when necessary to allow for the operation of outdoor classrooms.

(d) A child care or early learning program operated by a federally recognized tribe may participate in the outdoor nature-based child care program through an interlocal agreement between the tribe and the department. The interlocal agreement must reflect the government-to-government relationship between the state and the tribe, including recognition of tribal sovereignty.

(3) Pursuant to RCW 43.216.250 (2)(b), the provisions of this chapter governing the physical facility, including buildings and other physical structures attached to buildings and premises, do not apply to licensed school-age programs that operate in facilities used by public or private schools. The department regulates only health, safety, and quality standards that do not relate to the physical facility for programs operating in facilities used by public or private schools.
