

WAC 110-301-0310 Concept development and feedback quality. (1)

A school-age provider must facilitate activities to support child learning and understanding.

(2) A school-age provider may facilitate child learning and understanding through a variety of techniques such as:

(a) Using a variety of teaching strategies (different techniques, curricula, or styles) and materials to address different learning styles, abilities, developmental levels, and temperament;

(b) Helping children enter into and sustain play;

(c) Encouraging children to participate by asking questions and providing guidance;

(d) Providing opportunities for children's creativity;

(e) Linking concepts and activities to one another and to the children's lives and interests;

(f) Noticing and responding to teachable moments;

(g) Clarifying and expanding children's understanding;

(h) Describing and discussing children's learning processes;

(i) Encouraging children's efforts and persistence;

(j) Showing tolerance for mistakes;

(k) Using diverse vocabulary;

(l) Leading discussions and activities;

(m) Providing materials during the day, including daily routines such as meals and transitions, to encourage communication in English and children's home languages when possible; and

(n) Use scaffolding methods to gradually move children toward stronger understanding and greater independence in the learning process.
