

WAC 173-305-110 Fees. (1) The fee imposed is a thirty-five dollar (or as adjusted by WAC 173-305-040) annual fee payable by hazardous waste generators. The fee for the 1990 fee period is due on October 1, 1990, for any hazardous waste generator operating in Washington after March 22, 1990. The fee for the 1991 calendar year, and the 1990 fee period for any hazardous waste generator who began business after October 1, 1990, is due February 28, 1992. The annual fee for calendar year 1992 and each calendar year thereafter is due on July 1 of the next succeeding year.

Table 1
Primary Business Activities of Potential Generators

Soil preparation services: Includes establishments primarily engaged in application of fertilizer, seed bed preparation, and other services for improving the soil for crop planting such as weed control.

Crop protecting services: Includes establishments primarily engaged in performing crop protecting services such as disease, weed, and insect control.

Metal mining: Includes establishments primarily engaged in mining, developing mines, or exploring for metallic minerals. These ores are valued chiefly for the metals contained, to be recovered for use as such or as constituents of alloys, chemicals, pigments, or other products. It also includes mills that crush, grind, wash, dry, sinter, calcine, or leach ore, or perform gravity separation or flotation operations.

General building contractors: Includes general contractors and operative builders primarily engaged in the construction of nonresidential buildings.

Heavy construction, excluding buildings: Includes general contractors primarily engaged in heavy construction other than building, such as highways and streets, bridges, sewers, railroads, irrigation products, flood control products, and marine construction. It also includes special trade contractors primarily engaged in activities of a type that are clearly specialized to that type of heavy construction and are not normally performed on buildings or building-related projects.

Painting: Includes special trade contractors primarily engaged in painting.

Floor laying and other floor work, not elsewhere classified: Includes special trade contractors primarily engaged in the installation of asphalt tile, linoleum, and resilient flooring, in laying, scraping, and finishing parquet and other hardwood flooring.

Beverages: Includes establishments primarily engaged in manufacturing:

- Malt beverages or malt byproducts;
- Wines, brandy, and brandy spirits including the blending of wines;
- Alcoholic liquors by distillation or by mixing liquors and other ingredients;
- Soft drinks and carbonated waters; and
- Flavoring extracts, syrups, powders, and related products.

Textile mill products: Includes establishments primarily engaged in performing any of the following operations:

- Preparation of fiber and subsequent manufacturing of yarn, thread, braids, twine, and cordage;

- Manufacturing broadwoven fabrics, narrow woven fabrics, knit fabrics, and carpets and rugs from yarn;
- Dyeing and finishing fiber, yarn, fabrics, and knit apparel;
- Coating, waterproofing, or otherwise treating fabrics;
- The integrated manufacture of knit apparel and other finished articles from yarn; and
- The manufacture of felt goods, lace goods, nonwoven fabrics, and miscellaneous textiles.

Sawmills and planing mills, general: Includes establishments primarily engaged in:

- Sawing rough lumber and timber from logs and bolts, or resawing cants and flitches into lumber, including box lumber and softwood cut stock;
- Planing mills combined with sawmills; and
- Separately operated planing mills that are engaged primarily in producing surfaced lumber and standard workings or patterns of lumber. This industry includes establishments primarily engaged in sawing lath and railroad ties and in producing tobacco hogshead stock, wood chips, and snow fence lath.

Hardwood dimension and flooring mills: Includes establishments primarily engaged in manufacturing:

- Hardwood dimension lumber and workings therefrom;
- Other hardwood dimension, semifabricated or ready for assembly;
- Hardwood flooring; and
- Wood frames for household furniture.

Millwork: Includes establishments primarily engaged in manufacturing fabricated wood millwork, including wood millwork covered with materials such as metal and plastics. Planing mills primarily engaged in producing millwork are included in this industry.

Wood kitchen cabinets: Includes establishments primarily engaged in manufacturing wood kitchen cabinets and wood bathroom vanities, generally for permanent installation.

Hardwood veneer and plywood: Includes establishments primarily engaged in producing commercial hardwood veneer and those primarily engaged in manufacturing commercial plywood or prefinished hardwood plywood. This includes nonwood backed or faced veneer and nonwood faced plywood.

Softwood veneer and plywood: Includes establishments primarily engaged in producing commercial softwood veneer and plywood, from veneer produced in the same establishment or from purchased veneer.

Wood preserving: Includes establishments primarily engaged in treating wood, sawed or planed in other establishments, with creosote or other preservatives to prevent decay and to protect against fire and insects. This industry also includes the cutting, treating, and selling of poles, posts and piling, but establishments primarily engaged in manufacturing other wood products, which they may also treat with preservatives, are not included.

Reconstituted wood products: Includes establishments primarily engaged in manufacturing reconstituted wood products. Important products of this industry are hardboard, particleboard, insulation board, medium density fiberboard, waferboard, and oriented strandboard.

Wood products, not elsewhere classified: Includes establishments primarily engaged in manufacturing wood products, not elsewhere classi-

fied, and products from rattan, reed, splint, straw, veneer, veneer strips, wicker, and willow.

Furniture and fixtures: Includes establishments primarily engaged in manufacturing household, office, public building, and restaurant furniture; and office and store fixtures.

Paper and allied products: Includes establishments primarily engaged in the manufacture of:

- Pulps from wood and other cellulose fibers, and from rags;
- Paper and paperboard; and
- Paper and paperboard into converted products, such as paper coated off the paper machine, paper bags, paper boxes, and envelopes.

Also included are establishments primarily engaged in manufacturing bags of plastics film and sheet.

Printing and publishing: Includes establishments primarily engaged in printing by one or more common process, such as letterpress; lithography (including offset), gravure, or screen; and those establishments which perform services for the printing trade, such as bookbinding and platemaking. It also includes establishments engaged in publishing newspapers, books, and periodicals.

Chemicals and allied products: Includes establishments primarily engaged in producing basic chemicals, and establishments manufacturing products by predominantly chemical processes.

Petroleum refining and related industries: Includes establishments primarily engaged in petroleum refining, manufacturing paving and roofing materials, and compounding lubricating oils and greases from purchased materials.

Rubber and miscellaneous plastic products: Includes establishments primarily engaged in manufacturing products from plastics resins and from natural, synthetic, or reclaimed rubber, gutta percha, balata, or butta siak.

Stone, clay, and glass products: Includes establishments primarily engaged in manufacturing flat glass and other glass products, cement, structural clay products, pottery, concrete and gypsum products, cut stone, abrasive and asbestos products, and other products from materials taken principally from the earth in the form of stone, clay, and sand.

Primary metal industries: Includes establishments primarily engaged in:

- Smelting and refining ferrous and nonferrous metals from ore, pig, or scrap;
 - Rolling, drawing, and alloying metals;
 - Manufacturing castings and other basic metal products; and
 - Manufacturing nails, spikes, and insulated wire and cable.
- This group includes the production of coke.

Fabricated metal products: Includes establishments primarily engaged in fabricating ferrous and nonferrous metal products, such as:

- Metal cans,
- Tinware,
- Handtools,
- Cutlery,
- General hardware,
- Nonelectric heating apparatus,

- Fabricated structural metal products,
- Metal forgings,
- Metal stampings,
- Ordnance (except vehicles and guided missiles), and
- A variety of metal and wire products not elsewhere classified.

Industrial and commercial machinery and computer equipment: Includes establishments primarily engaged in manufacturing industrial and commercial machinery and equipment and computers.

Electronic and other electrical equipment and components, except computer equipment: Includes establishments primarily engaged in manufacturing machinery, apparatus, and supplies for the generation, storage, transmission, transformation, and utilization of electrical energy. Included is the manufacturing of:

- Electricity distribution equipment;
- Electrical industrial apparatus;
- Household appliances;
- Electrical lighting and wiring equipment;
- Radio and television receiving equipment;
- Communications equipment;
- Electronic components and accessories; and
- Other electrical equipment and supplies.

Transportation equipment: Includes establishments primarily engaged in manufacturing equipment for transportation of passengers and cargo by land, air, and water. Important products produced by establishments classified in this major group include motor vehicles, aircraft, guided missiles, and space vehicles, ships, boats, railroad equipment, and miscellaneous transportation equipment, such as motorcycles, bicycles, and snowmobiles.

Instruments; measuring, analyzing, and controlling photographic, medical, and optical goods; watches and clocks: Includes establishments primarily engaged in manufacturing:

- Instruments (including professional and scientific) for measuring, testing, analyzing, and controlling, and their associated sensors and accessories;
- Optical instruments and lenses;
- Surveying and drafting instruments;
- Hydrological, hydrographic, meteorological, and geophysical equipment;
- Search, detection, navigation, and guidance systems and equipment;
- Surgical, medical, and dental instruments, equipment, and supplies;
- Ophthalmic goods;
- Photographic equipment and supplies; and
- Watches and clocks.

Jewelry, silverware, and plated ware: Includes establishments primarily engaged in manufacturing:

- Jewelry and other articles made of precious metals with or without stones;
- Flatware, hollowware, ecclesiastical ware, trophies, trays, and related products made of:
 - Sterling silver;
 - Metal plated with silver, gold, or other metal;
 - Nickel silver;

- Pewter; or
- Stainless steel.

Toys and sporting goods: Includes establishments primarily engaged in manufacturing: Sporting and athletic goods such as fishing tackle, golf and tennis goods, skis and skiing equipment.

Signs and advertising specialties: Includes establishments primarily engaged in manufacturing electrical, mechanical, cutout, or plate signs and advertising displays, including neon signs, and advertising specialties.

Railroad transportation: Includes establishments furnishing transportation by line-haul railroad, and switching and terminal establishments.

Local and interurban passenger transit: Includes establishments primarily engaged in furnishing local and suburban passenger transportation.

Water transportation: Includes establishments primarily engaged in freight and passenger transportation on the open seas or inland waters, and establishments furnishing incidental services such as lightering, towing, and canal operation. This major group also includes excursion boats, sightseeing boats, and water taxis.

Transportation by air: Includes establishments primarily engaged in furnishing domestic and foreign transportation by air and also those operating airports and flying fields and furnishing terminal services.

Electric services: Includes establishments primarily engaged in the generation, transmission, or distribution, or a combination thereof, of electric energy for sale.

Combination electric and gas, and other utility services: Includes establishments providing electric or gas services in combination with other services.

Sanitary services: Includes:

- Establishments primarily engaged in the collection and disposal of wastes conducted through a sewer system; and
- Establishments primarily engaged in the collection and disposal of refuse by processing or destruction or in the operation of incinerators, waste treatment plants, landfills, or other sites for disposal of those kinds of materials.

Motor vehicles, parts, and supplies: Includes establishments primarily engaged in the:

- Wholesale distribution of new and used passenger automobiles, trucks, trailers, and other motor vehicles, including motorcycles, motor homes, and snowmobiles;
- Wholesale distribution of motor vehicle supplies, accessories, tools, and equipment except tires and new motor vehicle parts;
- Distribution at wholesale or retail of used motor vehicle parts and those primarily engaged in dismantling motor vehicles for the purpose of selling parts.

Electrical apparatus and equipment, wiring supplies, and construction materials: Includes establishments primarily engaged in the wholesale distribution of:

- Electrical power equipment for the generation, transmission, distribution, or control of electric energy;

- Electrical construction materials for outside power transmission lines and for electrical systems; and
- Electric light fixtures and bulbs.

Machinery, equipment, and supplies: Includes establishments primarily engaged in the:

- Wholesale distribution of construction or mining cranes, excavating machinery and equipment, power shovels, road construction and maintenance machinery, tractor-mounting equipment and other specialized machinery and equipment used in the construction, mining, and logging industries;
- Distribution of agricultural machinery and equipment for use in the preparation and maintenance of the soil, the planting and harvesting of crops, and other operations and processes pertaining to work on the farm or the lawn or garden;
- Distribution of dairy and other livestock equipment; and
- Wholesale distribution of industrial machinery and equipment.

Miscellaneous durable goods: Includes establishments primarily engaged in assembling, breaking up, sorting, and wholesale distribution of scrap and waste materials.

Chemicals and allied products: Includes establishments primarily engaged in the wholesale distribution of:

- Plastics materials, and of unsupported plastics film, sheets, sheeting, rods, tubes, and other basic forms and shapes;
- Chemicals and allied products, such as acids, industrial and heavy chemicals, dye stuffs, industrial salts, rosin, and turpentine.

Petroleum and petroleum products: Includes establishments primarily engaged in the wholesale distribution of:

- Crude petroleum and petroleum products, including liquefied petroleum gas, from bulk liquid storage facilities;
- Petroleum and petroleum products, except those with bulk liquid storage facilities.

Included are packaged and bottled petroleum products distributors, truck jobbers, and others marketing petroleum and its products at wholesale, but without bulk liquid storage facilities.

Farm supplies: Includes establishments primarily engaged in the wholesale distribution of fertilizers, agricultural chemicals, and pesticides.

New and used car dealers: Includes establishments primarily engaged in the retail sale of new automobiles or new and used automobiles. These establishments frequently maintain repair departments and carry stocks of replacement parts, tires, batteries, and automotive accessories.

Gasoline service stations: Includes gasoline service stations primarily engaged in selling gasoline and lubricating oils.

Laundry, cleaning, and garment services: Includes establishments primarily engaged in:

- Operating mechanical laundries with steam or other power;
- Linen supply;
- Coin-operated laundries and dry-cleaning;
- Dry-cleaning plants, except rug cleaning;
- Carpet and upholstery cleaning; and
- Industrial launderers.

Establishments that solely operate coin-operated washing machines and dryers and establishments that solely clean carpets or rugs are not included.

Disinfecting and pest control services: Includes establishments primarily engaged in disinfecting dwellings and other buildings, and in termite, insect, rodent, and other pest control, generally in dwellings or other buildings.

Truck rental and leasing, without drivers: Includes establishments primarily engaged in short-term rental or extended-term leasing of trucks, truck tractors, or semitrailers without drivers.

Automotive repair shops: Includes establishments primarily engaged in the:

- Repair of automotive tops, bodies, and interiors, or automotive painting and refinishing;
- Customizing automobiles, trucks, and vans except on a factory basis;
- Installation, repair, or sale and installation of automotive exhaust systems;
- Repairing and retreading of automotive tires;
- Installation, repair, or sales and installation of automotive transmissions;
- General automotive repair;
- Specialized automotive repair, such as fuel service (carburetor repair), brake relining, front end and wheel alignment, and radiator repair.

Miscellaneous repair shops and related services: Includes establishments primarily engaged in:

- General repair work by welding, including automotive welding;
- Rewinding armatures and rebuilding or repairing electric motors;
- Specialized repair services, such as bicycle repair, leather goods repair;
- Lock and gun repair, including the making of lock parts or gun parts to individual order;
- Musical instrument repair;
- Septic tank cleaning;
- Farm machinery repair;
- Furnace cleaning;
- Motorcycle repair;
- Tank truck cleaning;
- Taxidermists;
- Tractor repair; and
- Typewriter repair.

Hospitals: Includes establishments primarily engaged in providing:

- Diagnostic services, extensive medical treatment including surgical services, and other hospital services, as well as continuous nursing services;
- General medical and surgical services and other hospital services;
- Diagnostic medical services and inpatient treatment for the mentally ill;
- Diagnostic services, treatment, and other hospital services for specialized categories of patients, except mental.

Medical laboratories: Includes establishments primarily engaged in providing professional analytic or diagnostic services to the medical profession, or to the patient on prescription of a physician.

Colleges, universities, professional schools, and junior colleges: Colleges, universities, and professional schools furnishing academic courses and granting academic degrees; or junior colleges and technical institutes furnishing academic, or academic and technical, courses, and granting associate academic degrees, certificates, or diplomas.

Research and testing services: Includes establishments primarily engaged in:

- Commercial physical and biological research and development on a contract or fee basis; or
- Performing noncommercial research into and dissemination of, information for public health, education, or general welfare; or
- Providing testing services.

Environmental quality: Government establishments primarily engaged in:

- Regulation, planning, protection and conservation of air and water resources;
- Solid waste management;
- Water and air pollution control and prevention;
- Flood control;
- Drainage development, and consumption of water resources;
- Coordination of these activities at intergovernmental levels;
- Research necessary for air pollution abatement and control and conservation of water resources;
- Government establishments primarily engaged in regulation, supervision and control of land use, including recreational areas;
- Conservation and preservation of natural resources;
- Control of wind and water erosion;
- The administration and protection of publicly and privately owned forest lands, including pest control;
- Planning, management, regulation, and conservation of game, fish, and wildlife populations, including wildlife management areas and field stations; and
- Other matters relating to the protection of fish, game, and wildlife.

Establishments that only provide information and education services to others are not included.

National security: Includes establishments of the armed forces, including the National Guard, primarily engaged in national security and related activities.

(2) A hazardous waste generator must be exempt from the fee imposed under this section if the value of products, gross proceeds of sales, or gross income of the business, from all business activities of the hazardous waste generator, is less than twelve thousand dollars in the current calendar year.
