

**WAC 192-170-055 Suitable work factors—Public health emergency.**

In determining whether work is suitable as defined by RCW 50.20.100 and 50.20.110, the department will consider the degree of risk to the health of those residing with the individual during a public health emergency. Work will only be considered unsuitable due to risks associated with a public health emergency on the days the public health emergency declaration is in effect.
