

WAC 246-945-232 Pharmacy licensing. The commission shall issue a pharmacy license to an applicant that:

- (1) Is in compliance with WAC 246-945-230;
- (2) Has a designated responsible pharmacy manager; and
- (3) If a pharmacy is new or remodeled, the applicant has provided the commission evidence of being built or remodeled in accordance with all building, health, and fire codes required for the particular area.
