WAC 286-04-080 Federal overlay and requirements. At times through the years, the board's grant programs have been closely inter-related with certain federal grant programs. For example, see WAC 286-40-010, Land and Water Conservation Fund. The result of this interrelationship is that there are many federal requirements imposed on the board and its applicants over which the board has no control.

Many of these requirements may be found in the Land and Water Conservation Fund Grants Manual (National Park Service). In addition, most of the federal requirements are restated or clarified in the manuals.
