

WAC 296-17A-4402 Classification 4402.

4402-00 Ice: Manufacturing or harvesting

Applies to establishments engaged in the manufacture of ice or the harvesting of naturally occurring ice from frozen bodies of water such as lakes or ponds. Ice is made by treating, forming, and freezing water in refrigeration compressor systems. The ice blocks may be scored, cut or sawed, then left in blocks or crushed and bagged. Refrigeration systems are generally freezer coils or pipes running through or around tanks, or refrigerated vaults. Other equipment includes, but is not limited to, tanks, tin molds of various pound sizes or shapes, filtering systems, ice cube making systems which consist of water tanks, tubing and cutting blades, conveyors, incline screws, holding bins, bagging machines, winches, and forklifts. Ice harvesting is the cutting of natural ice from lakes, ponds, or other bodies of water that have frozen over to a suitable thickness and storing it in refrigerated warehouses. Ice manufacturers and harvesters either deliver their ice directly to their customers or sell it to ice dealers.

This classification excludes ice dealers who are to be reported separately in classification 4402-02 and manufacturers of "dry ice" who are to be reported separately in classification 3701.

4402-02 Ice dealers

Applies to establishments engaged as dealers of ice manufactured or harvested by others. Ice dealers either pick up ice directly from manufacturers and deliver it, or store it in their own refrigerated warehouses or ice stations prior to delivery to their customers. Refrigerated, insulated trucks and trailers are used to deliver ice. Customers may include, but not be limited to, restaurants, lounges, service stations, grocery and convenience stores. Ice dealers may also own coin-operated dispensing machines, at various locations, which they refill.

This classification excludes establishments engaged in the manufacture of ice in refrigerated systems and the harvesting of natural ice which are to be reported separately in classification 4402-00 and establishments engaged in the manufacture of "dry ice" which are to be reported separately in classification 3701.
