

WAC 308-47-060 Packaging and storage of human remains following reduction. (1) Human remains following reduction must be packaged in a sealable container or containers as may have been ordered or supplied by the authorizing agent or the reduction facility.

(2) The packaged human remains will be identified. The metal identification disc or metal tag must stay with the human remains.

(3) If the entire human remains will not fit within the designated container, the remainder of the human remains must be returned to the authorizing agent in additional containers, clearly identified as being part of, and together with the designated container. Upon written consent of the authorizing agent, excess human remains may be disposed of in any legal manner.
