**WAC 390-16-011A Sponsored political committee.** (1) "Sponsored political committees," "sponsors of political committees," and "authorized committees," as those terms are used in the act and these rules, are defined in RCW 42.17A.005. This rule applies to political committees that are not authorized by a candidate, or by the public official against whom recall charges have been filed.

(2) A sponsored political committee must include on its C-1pc the name of at least one sponsor in the committee's name.

(3) For purposes of determining whether a political committee is sponsored, as defined in RCW 42.17A.005, by having received eighty percent or more of its contributions from a person or from the person's members, officers, employees, or shareholders, the political committee organized to support or oppose a particular candidate or ballot proposition must consider all contributions received by the committee in the previous twelve months.

(4) A sponsored political committee must amend its C-1pc sixty days before an election in which it participates if the committee's name on its most recently filed C-1pc does not include at least one current sponsor. To determine if the committee received eighty percent or more of its contributions from a person or from the person's members, officers, employees, or shareholders at the time of the amendment:

(a) A political committee not organized to support or oppose a particular candidate or ballot proposition must consider all contributions received in the previous twelve months through the date of filing the amended C-1pc.

(b) A committee organized to support or oppose a particular candidate or ballot proposition must consider all contributions received from the time the committee was organized or filed its initial C-1pc, whichever is earlier.

**WAC 390-16-013 Incidental committees—Registration and reporting requirements and method for reporting.**

(1) Chapter 42.17A RCW requires the disclosure of monetary and in-kind contributions and expenditures by nonprofit organizations that participate significantly in candidate and ballot proposition campaigns in Washington state. Non-profit organizations that make contributions or expenditures in Washington elections above specified thresholds, and are not otherwise defined under the law as political committees, must file organizational statements with the PDC and disclose certain contributors, regardless of the organization's primary purpose. These are referred to in the law as "incidental committees." To be an incidental committee, triggering the requirements to file a statement of organization with the PDC and then file the required disclosure reports, an organization must expect to make contributions or expenditures of at least \$35,000 in a calendar year for an election campaign and receive a payment of at least \$15,000 from a single source.

(2) The official form for providing the statement of organization by incidental committees as required by RCW 42.17A.207 is designated the incidental committee registration report, or "C-1-IC."

(3) The official form for reporting top 10 payments and expenditures by incidental committees as required under RCW 42.17A.240 is designated the incidental committee payments and political expenditures report, or "C-8."

(4) These reporting forms must be filed electronically when the PDC has provided an electronic method to do so. Until an electronic method is provided, the reporting forms should be downloaded from the PDC's website, [www.pdc.wa.gov](http://www.pdc.wa.gov), or obtained at the PDC office, in Olympia, Washington, and submitted by postal mail or hand delivery. The executive director may make exceptions on a case-by-case basis for an incidental committee that lacks the technological ability to file reports electronically.

(5) For purposes of determining whether a nonprofit organization has the expectation of making contributions or expenditures aggregat-

ing at least \$35,000 in a calendar year that then triggers the reporting requirements:

(a) Contributions include any monetary or in-kind contributions made to a political committee, including a political committee that the nonprofit organization sponsors; and

(b) Contributions do not include contributions made to an out-of-state political committee, unless the contribution is earmarked or otherwise designated specifically for any in-state election campaign or political committee.

(6) The sources of the top 10 largest cumulative payments of \$15,000 or greater, as required to be reported on the C-8 report, must include:

(a) The top 10 sources of payments within the current calendar year through the applicable reporting period, including any changes to the top 10 sources from the previous reporting period; and

(b) The total cumulative payment value, within the current calendar year through the applicable reporting period, made from a person who is reported on the current report as a source of a top 10 payment.

(7) For purposes of reporting the sources of the top 10 largest cumulative payments of \$15,000 or greater, for payments received from multiple persons in an aggregated form, only a payment of more than \$15,000 from any single person must be reported, but not the aggregated payment to the nonprofit organization itself or through any intermediary aggregated payment.

(8) An incidental committee may request a modification or suspension of reporting requirements in cases of manifestly unreasonable hardship pursuant to RCW 42.17A.120, as set forth in chapter 390-28 WAC.

(9) Each incidental committee is automatically dissolved at the end of the calendar year in which it was registered, or upon completion of all reporting requirements for that year, whichever is later. Dissolution does not absolve the nonprofit organization that registered as an incidental committee from responsibility for any obligations resulting from a finding before or after dissolution of a violation committed prior to dissolution. Dissolution in this context refers only to the termination of an incidental committee created to fulfill the nonprofit's reporting responsibilities under chapter 42.17A RCW, and is not intended to affect the legal status of the nonprofit organization itself.

**WAC 390-16-042 Debts and obligations—Contingent liabilities—How to report.** (1) Pursuant to RCW 42.17A.240 and 42.17A.005, "promise," "promise to pay," "debt" and "obligations" mean:

(a) Any oral or written order or agreement placed for goods, services, or anything else of value;

(b) Any offer to purchase advertising space, broadcast time, or other written, broadcast, or digital advertising-related product or service;

(c) Any contractual contingent liability; or

(d) Provided that the amount of the debt or obligation in (a), (b), or (c) of this subsection owed to a vendor is more than \$1,000, and the vendor has not been paid in full for the goods received, invoices submitted, or services performed within the time periods specified below:

(i) For reports due within 30 days of an election, debts or obligations of more than \$1,000 must be reported if the debt or obligation has been outstanding for more than five business days as of the last day of the reporting period.

(ii) For reports due during any other reporting period, debts or obligations of more than \$1,000 must be reported if the debt or obligation has been outstanding for more than 10 business days as of the last day of the reporting period.

(2) A contractual contingent liability (e.g., an additional fee to be paid to a political consultant or other person conditioned upon the candidate winning the election) is reportable as a debt or obligation from the time the contract or agreement is entered into until the liability is voided, paid or otherwise satisfied.

(3) Regularly recurring expenditures, of the same type and same or similar amount that have been reported at least once, need not be reported as debt unless they are past due as of the last day of the reporting period. Examples of recurring obligations that can be reported as recurring expenditures rather than debt include rent, utilities, insurance, cellular phone costs, and payments to campaign staff.

**WAC 390-16-043 Candidates and political committees—Public inspection of books of account.** (1) RCW 42.17A.005 defines "books of account" for candidates and political committees as "a ledger or simi-

lar listing of contributions, expenditures, and debts, such as a campaign or committee is required to file regularly with the commission, current as of the most recent business day."

(2) RCW 42.17A.225 and 42.17A.235 require that candidates and political committees participating in an election as defined in RCW 42.17A.005, must make their books of account available for public inspection. The public inspection of books of account is not intended to be an exhaustive audit of all contributions received and expenditures made.

(3) Any individual who requests to publicly inspect the books of account of a candidate or political committee, must make the request during the period beginning 10 calendar days before a primary, general, or special election, by contacting the filer's email address listed on the C-1 report for a candidate, or the C-lpc report for a political committee.

(4) The inspection of the books of account may occur on weekdays, unless the treasurer for the candidate or committee agrees otherwise, beginning on the eighth day before the election, excluding legal holidays, for at least two consecutive hours between 9:00 a.m. and 5:00 p.m. at a location that is agreed upon by the treasurer and the individual requesting the inspection. If the treasurer and requestor are unable to agree on a location and the treasurer has not provided digital access to the books of account, the default location for an appointment must be a place of public accommodation selected by the treasurer within a reasonable distance from the treasurer's office. However, if the treasurer is located out-of-state, the default location must be within the state of Washington and reasonably accessible to both parties. The inspection must be allowed within 48 hours of the date and time the request was made at the agreed-upon location, provided that if the request is not made by 3:00 p.m. on the third day preceding an election, the candidate or political committee need only make best efforts to accommodate the request.

(5) The treasurer for the candidate or committee may make the books of account available electronically, in lieu of scheduling an in-person inspection, or if a location cannot be agreed upon by both parties. If the campaign's only copy of its books of account is maintained electronically with security protections, the person requesting the inspection must be given sufficient instruction to allow the inspection to proceed.

(6) The books of account, ledger and other supporting documentation must be maintained by the treasurer and kept current within one business day. The books of account of a candidate or political committee include the following: A ledger, spreadsheet, or similar listing of contributions, expenditures, loans, debts and obligations to substantiate the information disclosed on the PDC campaign finance reports. The books of account must include the underlying source documents such as receipts, invoices, copies of contribution checks, copies of canceled checks for expenditures, digital transactions, notes, or other documentation concerning expenditures, orders placed, and loans. The campaign or committee is not required to provide the name and address of contributors who gave \$100 or less in the aggregate in total contributions.

(7) The candidate or political committee is not required to make copies of its books of account for the requestor. Videorecording, photographing, or photocopying of the records is not required to be permitted but may be agreed to by both parties during or in advance of the inspection.

(8) At the time of making the appointment, the person requesting to inspect the books of account must provide the name(s) and contact information for all individuals who will be in attendance for the inspection. The requestor(s) must show photo identification prior to the inspection beginning, and the candidate or political committee may deny the inspection from occurring if photo identification is not provided.

(9) The records required by this section must be available for audit or examination by the PDC at any time upon request from the PDC.

**WAC 390-16-049 Out-of-state political committees.** (1) RCW 42.17A.250 governs campaign reporting in Washington state by committees located outside of Washington. The committee begins reporting when it makes an expenditure supporting or opposing a Washington state candidate or political committee.

(2) To file as an out-of-state political committee, all the criteria in (a) and (b) of this subsection must be satisfied:

(a) **Out-of-state.** First, the committee must be located out-of-state. It must maintain its office or headquarters in another U.S. state or the District of Columbia, and have no office, street address or corporate registered agent in Washington state. If there is no office or headquarters in another state or the District of Columbia, and no corporate registered agent in Washington state, the political committee is deemed out-of-state if its treasurer resides in another U.S. state or the District of Columbia.

(b) **Organizational purpose and campaign activities.** Second, the committee must also be currently organized primarily for engaging in campaign activities in another state. Therefore, to qualify as a current out-of-state committee, the committee must also:

(i) Be currently registered and actively filing campaign disclosure reports in one or more other states and has been so filing for the preceding two years; and

(ii) Have organizational documents showing it was originally formed and is currently organized for the purpose of making expenditures in another state or soliciting contributions for use in another state's election campaigns; and

(iii) Have spent less than twenty percent of its aggregate expenditures for all political campaign activity nationwide at any point in any calendar year to support and/or oppose Washington candidates for state, local and judicial office, Washington ballot measures and/or Washington political committees.

(3) A committee that does not satisfy the criteria in subsection (2) of this section shall file as an in-state committee under chapter 42.17A RCW, including RCW 42.17A.205 through 42.17A.240.

(4) Out-of-state political committees reporting under RCW 42.17A.250 are also subject to reporting pursuant to RCW 42.17A.260 (political advertising independent expenditures) and RCW 42.17A.305 through 42.17A.315 (electioneering communications).

**WAC 390-16-058 Independent expenditure—Definition and application.** (1) "Independent expenditure," as that term is used in chapter 42.17A RCW, other than RCW 42.17A.255, and as used in these rules, means an "expenditure" as defined in RCW 42.17A.005 that has each of the following elements:

(a) It is made in support of or in opposition to a candidate for public office subject to the filing requirements in chapter 42.17A RCW, by a person who is not:

(i) A candidate for that office;

(ii) An authorized committee of that candidate for that office;

(iii) A person who has received the candidate's encouragement or approval to make the expenditure, if the expenditure pays in whole or in part for any political advertising supporting that candidate or promoting the defeat of any other candidate or candidates for that office.

(b) It is made in support of any or in opposition to a candidate for office by a person with whom the candidate has not collaborated for the purpose of making the expenditure, if the expenditure pays in whole or in part for any political advertising supporting that candidate or promoting the defeat of any other candidate or candidates for that office;

(c) The expenditure pays in whole or in part for any political advertising that either specifically names the candidate supported or opposed, or clearly and beyond any doubt identifies the candidate without using the candidate's name;

(d) The expenditure, alone or in conjunction with another expenditure or other expenditures of the same person in support of or opposition to that candidate, has a value of \$2,000 or more. A series of expenditures, each of which is under \$2,000, constitutes one independent expenditure if their cumulative value is \$2,000 or more; and

(e) The expenditure is not a contribution as defined in RCW 42.17A.005 and provided in WAC 390-05-210.

(2) Exempt activities. The following activities are not considered independent expenditures for purposes of RCW 42.17A.255, 42.17A.630, or 42.17A.320:

(a) Ordinary home hospitality;

(b) A news item, feature, commentary, or editorial, or communications with journalists or editorial staff designed to elicit the same, in a regularly scheduled news medium that is of interest to the public, that is in a news medium controlled by a person whose business is that news medium, and that is not controlled by a candidate or a political committee;

(c) Participation in the creation of a publicly funded voters' pamphlet statement in written or video form;

(d) An internal political communication primarily limited to:

(i) The members of or contributors to a political party organization or political committee;

(ii) The officers, management staff, or stockholders of a corporation or similar enterprise; or

(iii) The members of a labor organization or other membership organization.

(e) Messages in the form of reader boards, banners, or yard or window signs displayed on a person's own property or the property occupied by a person. However, a facility used for such political advertising for which a rental charge is normally assessed must be reported as an in-kind contribution at its fair market value and counts toward any applicable contribution limit of the person providing the facility; or

(f) The rendering of personal services of the sort commonly performed by volunteer campaign workers or incidental expenses personally incurred by volunteer campaign workers not in excess of \$350 personally paid by the worker.

**WAC 390-16-059 Electioneering communication reporting threshold.**

(1) A "sponsor" of an electioneering communication is defined in RCW 42.17A.005.

(2) For the purposes of RCW 42.17A.005, an electioneering communication is reportable by the sponsor to the commission when the communication, alone or in combination:

(a) Identifies the same candidate in one or more communications satisfying RCW 42.17A.005 (21) (a) (i) and (ii) or these rules;

(b) Is made by the same sponsor of one or more of the communications;

(c) When it, either alone, or in combination with one or more communications identifying the candidate by the same sponsor during the 60 days before an election, has a fair market or aggregate value of \$2,000 or more; and

(d) Is not a communication excluded from the meaning of "expenditure" under RCW 42.17A.005 or by these rules.

(3) When the communications (including radio, television, electronic, mailings, billboards, newspapers, online, or periodicals) reach the \$2,000 threshold, the sponsor must report to the commission as required by RCW 42.17A.305 within 24 hours of, or on the first working day after, the date the communication is first broadcast, transmitted electronically, erected, distributed, published online or by other media, or otherwise presented to the public.

(4) Once the \$2,000 threshold is reached, all subsequent electioneering communications by the sponsor identifying the same candidate are reportable as provided in RCW 42.17A.305 and this rule.

(5) When more than one sponsor pays for the electioneering communication, the entire fair market value of the communication is attributable to all sponsors. All sponsors of the same communication are responsible for reporting once the \$2,000 threshold is met. A failure to report by one joint sponsor is not attributable to all joint sponsors of a specific communication or communications if the remaining sponsors have reported properly.

(6) Consistent with WAC 390-16-060 and the requirements of the PDC C-6 Report, a prorated portion of independent expenditure and electioneering communications expenditures must be attributed to each candidate or ballot proposition identified in the advertisement or communication. That proration must be based on a reasonable, good faith estimate of the value of the portion of the advertisement or communication relating to each candidate or proposition identified.

**WAC 390-16-063 Additional information regarding independent expenditures and C-6 report filing.** (1) RCW 42.17A.255 requires a person not otherwise subject to the disclosure requirements of chapter 42.17A RCW to disclose an independent expenditure of \$1,000 or more that supports or opposes a candidate or ballot measure. RCW 42.17A.260 requires the disclosure of political advertising with a fair market value of \$2,000 or more that is presented to the public within 21 days of an election, that supports or opposes a ballot proposition, or that qualifies as an independent expenditure and supports or opposes a candidate.

(a) **Prorating and attributing independent expenditures that support or oppose multiple candidates or ballot measures.** Whether to disclose an independent expenditure that supports or opposes multiple candidates or ballot measures is determined by prorating and attributing the cost of the expenditure among all candidates or ballot measures that are the subject of the expenditure. Disclosure is required when:

(i) The pro rata cost for a single candidate or ballot measure reaches or exceeds the statutory threshold and none of the subject candidates are seeking election to the same office and none of the subject ballot measures are competing measures; or

(ii) The sum of the pro rata costs attributable to all candidates seeking election to the same office or the sum of the pro rata costs attributable to competing ballot measures reaches or exceeds the statutory threshold.

Example 1 (prorating): A mailer/postcard supports one candidate and one ballot measure at a total cost of \$3,200. One side of the postcard is entirely devoted to the ballot measure. The other side is split evenly between the candidate and the ballot measure. The ballot measure's pro rata share is \$2,400 (75%) and the candidate's pro rata share is \$800 (25%).

Example 2 (prorating and attributing): An independent expenditure ad appears in the newspaper two weeks before the election. The ad costs \$2,000; 50% of the ad supports a candidate and the other 50% opposes the candidate's opponent. The independent expenditure is disclosed under RCW 42.17A.260 because the sum of the pro rata share for the two candidates who seek the same office is \$2,000.

(b) **Disclosing independent expenditures that support or oppose multiple candidates or ballot measures.** When a pro rata, attributable cost reaches or exceeds the statutory threshold, the entire independent expenditure must be disclosed, including the amounts attributable to all candidates and ballot propositions supported or opposed by the expenditure.

(c) **Other applications of prorating and attributing independent expenditures.** Use the prorating and attribution steps explained in (a)(i) and (ii) of this section to determine when an independent expenditure as defined in RCW 42.17A.005 must comply with the "no candidate authorized this ad" sponsor identification and, if applicable, the "top 5" contributors required by RCW 42.17A.320 and WAC 390-18-010.

(2) A political committee reporting pursuant to RCW 42.17A.225, 42.17A.235 and 42.17A.240 is exempt from providing on a C-6 form the sources of any funds received by the committee for an electioneering communication, unless the committee received funds that were earmarked or otherwise designated for the communication.

(3) An out-of-state political committee must report pursuant to RCW 42.17A.305 if it sponsors an electioneering communication as defined in RCW 42.17A.005.

(4) The sponsor of an electioneering communication must report pursuant to RCW 42.17A.305 and these rules regarding electioneering communications, even if the expenditure also satisfies the definition of independent expenditure in RCW 42.17A.005 or 42.17A.255. Persons in compliance with this subsection are deemed in compliance with RCW 42.17A.255 or 42.17A.260.

(5) Any person making an expenditure that is reportable under RCW 42.17A.640, grass roots lobbying campaigns, that also satisfies the definition of electioneering communication in RCW 42.17A.005, must also file pursuant to RCW 42.17A.305 and these rules regarding electioneering communications. The report filed pursuant to RCW 42.17A.305 must identify the grass roots campaign.

**WAC 390-16-207 In-kind contributions—Explanation and reporting.** (1) An in-kind contribution must be reported on the C-4 report. An in-kind contribution, as that term is used in the act and these rules, occurs when a person provides goods, services or anything of value, other than money or its equivalent, to a candidate or political committee free-of-charge or for less than fair market value, unless the item or service given is not a contribution according to RCW 42.17A.005 or WAC 390-17-405.

An in-kind contribution includes an expenditure that:

- Supports or opposes a candidate or a ballot measure;
- Meets the definition of contribution in RCW 42.17A.005 or WAC 390-05-210;
- Is an electioneering communication that is a contribution as provided in RCW 42.17A.310; and

- Is other than a monetary contribution made directly to a candidate or political committee.

For example, an in-kind contribution occurs when a person, after collaborating with a candidate or a candidate's agent, purchases space in a newspaper for political advertising supporting that candidate or opposing that candidate's opponent.

(2) According to RCW 42.17A.430 and WAC 390-16-238, a candidate may not use his or her campaign funds to make a contribution, including an in-kind contribution, to another candidate or a political committee. However, under RCW 42.17A.430, a candidate may use surplus funds as defined in RCW 42.17A.005 to make a contribution to a political party or caucus political committee.

**(3) Valuing in-kind contributions.**

(a) For purposes of determining the value of goods or services provided as in-kind contributions, refer to WAC 390-05-235 Definition—Fair market value.

(b) If an expenditure that constitutes an in-kind contribution is made, the value of the in-kind contribution to a particular candidate or political committee is the portion of the expense that benefits the candidate or political committee.

**(4) In-kind contributions to recipients who have limits under RCW 42.17A.405 or 42.17A.410.**

(a) If a candidate receives in-kind contributions from any person valued at more than \$25 in the aggregate for an election, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limit provided in RCW 42.17A.405 or 42.17A.410.

(b) If a bona fide political party or legislative caucus committee receives in-kind contributions from any person valued at more than \$25 in the aggregate during a calendar year, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limit provided in RCW 42.17A.405.

(c) If an elected official against whom recall charges have been filed or a political committee supporting the recall of an elected official receives in-kind contributions from any person valued at more than \$25 in the aggregate during a recall campaign, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limits provided in RCW 42.17A.405 or 42.17A.410.

**(5) Political committees that make in-kind contributions.** Except as provided for in subsection (5) of this section, a political committee that makes in-kind contributions to a candidate or political committee totaling more than \$50 in the aggregate during a reporting period must identify the recipient and the amount of the contribution as part of its C-4 report covering that period.

If the in-kind contribution is in the form of an expenditure that has been obligated, but not yet paid, the identity of the recipient candidate or political committee, along with a good faith estimate of the value of the contribution, must be disclosed in part 3 of Schedule B, in addition to the other information required by the C-4 report. When the expense is paid, the recipient's name and the amount of the contribution must be disclosed on Schedule A, in addition to the other information required by the C-4 report.

If a political committee provides equipment, property or anything else of value owned, leased or controlled by it to a candidate or po-

litical committee, the contributing committee must attach a statement to its C-4 report showing the name of the candidate or political committee to whom the contribution was made and the date, description and fair market value of the in-kind contribution.

(6) **Reporting by recipients.** Except as provided in subsection (5) of this section, in-kind contributions from one source are not reportable by the recipient candidate or political committee until the aggregate value of all in-kind contributions received from that source during a reporting period is more than \$50. If this threshold is met, the in-kind contributions must be reported in part 1 of Schedule B to the C-4 report covering that reporting period.

(7) **Application of RCW 42.17A.420—Last-minute contributions.**

(a) If an expenditure that constitutes an in-kind contribution is made no later than 22 days before a general election and written notice of the in-kind contribution is in the possession of the recipient candidate committee or political committee 22 or more days before that general election, the contribution is not subject to the respective \$7,500 or \$75,000 maximum amounts specified in RCW 42.17A.420.

(b) If an in-kind contribution is in the form of personal services donated to a campaign for the duration of the 21 days before a general election, and if written notice of the value of this donation is in the possession of the recipient candidate or political committee 22 or more days before the election, that in-kind contribution is not subject to the respective \$7,500 or \$75,000 maximum amounts specified in RCW 42.17A.420.

**WAC 390-16-221 Tangible property—Definition.** (1) All contributions received by a political committee or candidate are subject to the requirements of RCW 42.17A.430 and 42.17A.445 whether or not the committee converts the contribution to a different form, e.g., the purchase of tangible property from monetary contributions.

(2) For the purpose of this rule, tangible property includes but is not limited to real property and improvements thereto; furniture, office desks, file cabinets, tables and machines, vehicles, printing and duplicating equipment, and computer hardware and software.

**WAC 390-16-226 Loans.** (1) Only loans which are recorded in a written loan agreement executed at the time of the loan and properly reported may be repaid by a candidate or political committee. Surplus campaign funds under RCW 42.17A.005 and 42.17A.430 may only be used to return a contribution to the candidate if the contribution was properly reported as a loan from the candidate, as described in subsections (2) and (3).

(2) If any person gives or loans the candidate funds in connection with his or her campaign, the funds are not considered personal funds of the candidate. See WAC 390-17-305. Such funds are considered a contribution from the original source of the contribution under chapter 42.17A RCW and, unless the loan meets the exemption provided in RCW 42.17A.465(3) and this subsection, the contribution is subject to the contribution limits provided in chapter 42.17A RCW, as adjusted by WAC 390-05-400.

(a) If a candidate or candidate's own political committee or campaign or authorized committee receives a loan from a commercial lending institution, the loan is exempt from the contribution limits of RCW 42.17A.405 and WAC 390-16-310, as adjusted by WAC 390-05-400, only if all the following criteria are met:

(i) The loan is not guaranteed by any other person;

(ii) The loan is made in the regular course of business; and,

(iii) The loan is made on the same terms ordinarily available to the public.

(b) A commercial loan to a candidate's own committee or campaign or authorized committee is presumed to be guaranteed by the candidate. The presumption is rebuttable by clear, cogent and convincing evidence.

(3) The amount of campaign contributions which may be used to repay a loan made by the candidate to the candidate's own political committee or campaign, or to repay a commercial loan to a candidate's own political committee or campaign where the candidate is the borrower or guarantor, is limited to the loan repayment limit in RCW 42.17A.445(3) as adjusted by WAC 390-05-400. For purposes of the loan repayment limit, these loans are aggregated for each primary, general, special or recall election and must be designated accordingly by the candidate at the time the loan is made.

(4) If a candidate makes documented out-of-pocket campaign expenditures on behalf of their campaign expecting repayment (not intending to make an in-kind contribution), the campaign committee must repay the candidate within 21 days of the expenditure or the candidate will be deemed to have made a loan to his or her campaign committee which must qualify for repayment under subsections (1) and (2) in order for the candidate to be repaid. Undocumented out-of-pocket campaign expenditures by the candidate are in-kind contributions not eligible for repayment.

**WAC 390-16-230 Surplus campaign funds—Use in future.** (1) If after the last day of the election cycle for candidates as defined in RCW 42.17A.005 any contribution is received or an expenditure is made from surplus funds for any purpose which would qualify the recipient or person who made the expenditure as a candidate or political committee, it will be presumed the recipient or person who made the expenditure of such funds has initiated a new candidacy or committee. Surplus funds may only be expended for a new candidacy if the candidate is seeking the same office sought at the candidate's last election. Within fourteen days of the day such contribution is received or expenditure is made, such candidate or political committee must file (a) a final report for the previous campaign as provided in RCW 42.17A.235 and 42.17A.240; and (b) a statement of organization and initial report for the new campaign as provided by RCW 42.17A.205, 42.17A.235 and 42.17A.240. The surplus funds may be carried forward to the new campaign, reported as one sum and listed as a contribution identified as "funds from previous campaign." All augmentations to and all expenditures made from the retained surplus funds after the last day of the election cycle must be reported in detail as to source, recipient, purpose, amount and date of each transaction.

(2) For candidates as defined in RCW 42.17A.005, if at any time after the last day of the election cycle, any contribution is received or expenditure is made from such surplus funds for any purpose which would qualify the recipient or person who made the expenditure as a candidate or authorized committee, it will be presumed the recipient or person who made the expenditure of such funds has initiated a new candidacy or committee. Surplus funds may only be expended for a new candidacy if the candidate is seeking the same office sought at the candidate's last election. Within fourteen days of the day such contribution is received or expenditure is made, such candidate or authorized committee must file (a) a final report for the previous campaign as provided in RCW 42.17A.235 and 42.17A.240; and (b) a statement of organization and initial report for the new campaign as provided by RCW 42.17A.205, 42.17A.235 and 42.17A.240. The surplus funds as of the last day of the election cycle may be carried forward to the new campaign, reported as one sum and listed as a contribution identified as "funds from previous campaign." "Funds from previous campaign" carried forward by a candidate to the candidate's new campaign are not subject to contribution limits set forth in RCW 42.17A.405.

(3) A political committee formed to support or oppose a particular ballot proposition or particular candidates which retains surplus funds to use in support or opposition of other candidates or of other ballot propositions has become a continuing political committee and must thereafter register and report in accordance with chapter 42.17A RCW.

When separate, direct payments are not possible, one candidate may transfer campaign funds to another candidate without violating RCW 42.17A.430(8): Provided, That:

- (a) The transferred funds are used exclusively for the joint expenditure;

- (c) The funds are transferred within two business days of the expenditure;

(2) For purposes of RCW 42.17A.405 and 42.17A.410, an earmarked contribution is deemed to be for the promotion of, and attributable to any limit applicable to the candidate, authorized committee, bona fide political party, caucus of the state legislature or political committee designated by the original contributor.

(3) If an earmarked contribution is given to an intermediary or conduit to be spent on behalf of a candidate and the entire amount given is not used for this purpose, the remainder of the contribution shall be given to the designated candidate unless its use is redesignated by the original contributor. **WAC 390-16-308 Identification of source of contribution.** Any person who makes a contribution shall inform the candidate or treasurer, at the time the contribution is made, of the true and actual source of funds from which the contribution is made. To identify the source of a contribution received by check or other written instrument in the absence of other information, a candidate or treasurer shall apply the following:

Provided, that in cases where the source of the contribution is known and differs from the guidelines set forth below, the known source of the contribution shall be reported;

Provided further, that contributions made through an intermediary or conduit or transmitted by an intermediary shall identify the true and actual source of the funds.

(1) A contribution drawn upon a single account shall be attributed to the account holder as identified by the name printed on the face of the check or negotiable instrument.

(2) A contribution drawn upon a joint account shall be attributed in equal proportion to each of the account holders as identified by the names printed on the face of the check or negotiable instrument unless the candidate or treasurer is notified in writing that the contribution should be allocated in different proportions.

(3) A contribution made by a sole proprietor or drawn upon the account of a business which is a sole proprietorship shall be attributed to the owner of the business entity.

(4) A contribution drawn upon the account of a partnership shall be attributed to the partnership as a separate entity except that any check drawn upon the partnership account but which is to be paid from the capital account of one or more individual partners shall identify at the time of transmittal to the candidate or treasurer the name(s) of the contributing partner(s) and shall be attributed to the contributing partner(s).

(5) A contribution drawn upon the account of a corporation, union, association or other organization shall be attributed to the corporation, union, association or other organization as a separate entity unless that entity is affiliated with another entity pursuant to WAC 390-16-309 in which case a contribution from one of those entities is attributed to both entities.

(a) Whether one entity owns a controlling interest in the voting stock or securities of another entity; or

(b) Whether one entity has authority or the ability to direct or participate, other than through a vote as a member, in the governance of another entity through provisions of constitution, bylaws, contract or other formal or informal procedure or has authority or the ability to hire, appoint, demote or otherwise control, other than through a vote as a member, the officers or other decision making employees or members of another entity; or

**WAC 390-16-310 Limitations on contributions.** The limitations on contributions as provided in RCW 42.17A.420, 42.17A.405, and 42.17A.410, as adjusted by WAC 390-05-400, are as follows:

(1)(a) The limitation on contributions in RCW 42.17A.405 or 42.17A.410, as adjusted by WAC 390-05-400, do not apply to a "candidate" as that term is defined in RCW 42.17A.005 when the candidate is contributing to the candidate's own campaign using the candidate's own personal funds as defined in WAC 390-17-305.

(b) The limitation on contributions in RCW 42.17A.420, 42.17A.405, or 42.17A.410, as adjusted by WAC 390-05-400, apply to contributions to the candidate from the candidate's spouse, domestic partner or other immediate family members.

(2) Contributions by spouses are considered separate contributions. Contributions by domestic partners are considered separate contributions.

(3) Emancipated minor children (children under 18 years of age) may make contributions which do not exceed the limitations on contributions and the contribution is properly attributed to the emancipated minor child if:

(a) The decision to contribute is made knowingly and voluntarily by the emancipated minor child;

(b) The funds, goods, or services contributed are owned or controlled exclusively by the emancipated minor child, such as income earned by the child, the proceeds of a trust for which the child is the beneficiary, or a savings account opened and maintained exclusively in the child's name; and

(c) The contribution is not made from the proceeds of a gift, the purpose of which was to provide funds to be contributed, or is not in any other way controlled by another person.

Contributions by emancipated minor children which do not meet these requirements and contributions by unemancipated minor children will be considered contributions by the child's parents. Fifty percent of the contributions will be attributed to each parent, or in the case of a single custodial parent, the total amount is attributed to that parent.

(4) Contributions from a business organized as a sole proprietorship and contributions from the owner of the sole proprietorship must be aggregated for purposes of determining the limitations of contributions under RCW 42.17A.420, 42.17A.405, or 42.17A.410, as adjusted by WAC 390-05-400.

(5) The limitations on contributions apply separately to the contributions made by a partnership, limited liability partnership and limited liability corporation from the contributions made by an individual partner or member. However, contributions made from or charged against the capital account of an individual partner, or member of a limited liability partnership or limited liability corporation must be aggregated with the partner's or member's individual contributions for purposes of determining the limitations on contributions under RCW 42.17A.420, 42.17A.405, or 42.17A.410, as adjusted by WAC 390-05-400.

(6) The limitations on contributions in RCW 42.17A.420, 42.17A.405, and 42.17A.410, as adjusted by WAC 390-05-400, apply separately to the contributions made by an entity (corporation, subsidiary or branch, national union and local unions, collective bargaining organizations and local units, membership organizations and local units and other organizations and their local units) unless the criteria in RCW 42.17A.455 and WAC 390-16-309 are met.

**WAC 390-16-320 Candidates in small political subdivisions—Reporting.** (1) As provided in RCW 42.17A.200 and 42.17A.135(7), a candidate for election in any political subdivision must fully report if the candidate receives \$7,000 or more in contributions or expects to receive \$7,000 or more in contributions during an election cycle.

(2) It is presumed the candidate "expects to receive" \$7,000 or more when any one of the following first occurs:

(a) The candidate or candidate's authorized committee receives at least \$7,000 in aggregate contributions, including contributions from the candidate;

(b) The candidate is seeking the same office last sought, the candidate's election is in the current calendar year, and the candidate's campaign contributions in the previous election for the same office were \$7,000 or more in the aggregate;

(c) The contributions received on or before March 31st of the election year total \$1,250 or more;

(d) The contributions received on or before June 30th of the election year total \$2,500 or more;

(e) The contributions received on or before September 30th of the election year total \$3,750 or more; or

(f) The candidate otherwise anticipates that \$7,000 or more will be received during the election cycle.

(3) Surplus funds carried over from a candidate's previous campaign are not contributions to the candidate's new campaign and do not count toward the \$7,000 reporting threshold.

(4) A candidate or candidate's authorized committee that receives, or expects to receive, \$7,000 or more must:

(a) Within two weeks of the date the reporting obligation begins under subsection (1) or (2) of this section, file:

(i) A candidate registration, PDC C-1 Report;

(ii) A personal financial affairs statement, PDC F1 Report and, if relevant, the F1 Supplement; and

(iii) Contribution and expenditure reports, PDC C3 and C4 reports with appropriate attachments and schedules; and

(b) Otherwise comply with the campaign finance reporting and other provisions of chapter 42.17A RCW and Title 390 WAC.

**WAC 390-16-325 Dissolution of committees.** (1) Dissolution is the process by which a committee officially ceases doing business, pursuant to RCW 42.17A.225 and 42.17A.235. Dissolution does not relieve the candidate, elected official, or officers from any obligations to address violations that occurred before the committee was dissolved.

(2) To initiate dissolution, the committee must file a notice of intent to dissolve.

(3) The official report for filing a notice of intent to dissolve a committee is designated "D-1." The D-1 must be filed using the electronic filing system provided by the commission. The commission is required to post each committee's notice of intent to dissolve on the commission website upon receipt.

(4) On the D-1 Report, the candidate or authorized committee officer must attest to the following:

(a) The committee has concluded its activities in all respects and has ceased to function and intends to dissolve;

(b) The committee has no outstanding debts or obligations, will not make any expenditure other than those related to the dissolution process, and will not engage in any political activity or any other activity that generates additional reporting requirements;

(c) The committee has filed a final report;

(d) No complaint or court action under chapter 42.17A RCW is pending against the committee and it has not been informed by the commission of any possible violations or technical corrections which remain unresolved;

(e) The committee has no outstanding penalties under chapter 42.17A RCW as assessed by the commission or a court;

(f) The committee accepts an ongoing obligation to maintain compliance with these conditions and an affirmative duty to notify the commission of any noncompliance; and

(g) The treasurer is obligated to preserve books of account, bills, receipts, and all other financial records for five years.

(5) If, sixty days after a committee has filed its D-1, the committee is in compliance with the above requirements and has not notified the commission in writing that it revokes its intent to dissolve, the committee will be deemed to be dissolved.

(6) The executive director will promptly acknowledge by electronic writing the committee's dissolution. The acknowledgment of dissolution will be posted on the commission's website when sent to the committee.

(7) If the committee has not met the requirements for dissolution, the executive director will promptly notify the committee by electronic writing that it is not eligible to dissolve, and explain the reasons for its ineligibility. The committee may initiate the process again once it has come into compliance with the requirements.

**WAC 390-16-330 Prohibited financing and involvement by foreign nationals. (1) Prohibited financing by foreign nationals.**

(a) For purposes of RCW 42.17A.417, and throughout chapter 42.17A RCW, a contribution, expenditure, political advertising, or electioneering communication is "financed in any part by a foreign national" if the funding source includes anything of value greater than a de minimis amount provided by a foreign national for less than full consideration. Such value may include, but is not limited to, a loan, gift, deposit, subscription, forgiveness of indebtedness, donation, advance, pledge, payment, transfer of funds, or goods and services.

(b) A contribution, expenditure, political advertising, or electioneering communication is not "financed in any part by a foreign national" if the person making the contribution or expenditure, or sponsoring the advertisement or communication, is an individual citizen or legal permanent resident using their own personal funds.

(c) A contribution, expenditure, political advertising, or electioneering communication is not "financed in any part by a foreign national" if:

(i) The funding source is the general treasury of a membership organization, such as a trade association or labor union, not otherwise qualifying as a political committee, which includes funding from regular and predetermined membership dues;

(ii) Any additional funding of the general treasury is not from a foreign national, as provided in (a) of this subsection; and

(iii) The organization can demonstrate through a reasonable accounting method that the general treasury has sufficient funds to finance the contribution, expenditure, advertisement, or communication, apart from the aggregate amount of any membership dues received from foreign national members of the organization.

(d) Any funding from a foreign national, as provided in (a) of this subsection, and except as excluded under (b) or (c) of this subsection, must be segregated, using a reasonable accounting method, from the funding source used to finance a contribution, expenditure, advertisement, or communication. Funding from a foreign national may not be used to supplant, replace, or replenish the funding source for the contribution, expenditure, advertisement, or communication.

**(2) Prohibited decision-making involvement by foreign nationals.**

(a) For purposes of RCW 42.17A.417, and throughout chapter 42.17A RCW, a foreign national is "involved in making decisions regarding the contribution, expenditure, political advertising, or electioneering communication in any way" if the foreign national directs, dictates, controls, or directly or indirectly participates in the decision-making process regarding the financing any such contribution, expenditure, advertisement, or communication.

(b) In addition to the criteria under (a) of this subsection, a foreign national is involved in the decision-making regarding a contribution, expenditure, political advertising, or electioneering communication made by an entity that is a subsidiary, branch, unit, or division of a foreign national, or otherwise established, financed, maintained, or controlled by a foreign national, if the foreign national has:

(i) Made an endorsement or recommendation to support or oppose the same candidate or ballot proposition; or

(ii) Directly or indirectly collaborated or consulted with the entity on matters relating to the support of or opposition to the same candidate or ballot proposition.

**WAC 390-16-335 Certification for contributions from entities—Prohibited activity by foreign nationals.** (1) The certification required for a candidate or political committee to accept each contribution from a partnership, association, corporation, organization, or other combination of persons must be received in writing, either:

(a) By the date the report including the contribution is due, or within ten business days, whichever is later; or

(b) Within thirty days from the date the contribution is received, so long as the candidate or committee separates uncertified

contributions using reasonable accounting methods, to prevent commingling with other contributions, until the certification is received.

(2) Any uncertified contribution must be refunded or returned by the applicable deadline in subsection (1) of this section. The failure to timely refund or return an uncertified contribution constitutes a violation of chapter 42.17A RCW.

(3) A single certification may apply to future contributions within the same election cycle if the certification provides, in addition to the requirements under subsection (5) of this section, a statement that:

(a) Future contributions included in the certification will be part of a regularly scheduled transaction cycle, and funded from the same source as the original contribution; and

(b) The entity will provide a separate certification for any additional contribution that does not meet the criteria of (a) of this subsection.

(4) A candidate or political committee is not required to obtain a certification for:

(a) A contribution from a political committee if the contributing committee is:

(i) Currently registered with the commission at the time the contribution is received, and reporting its contributions received; and

(ii) Entirely funded through contributions received; or

(b) Any in-kind contribution from an entity, that in the aggregate within the same reporting period, does not exceed fifty dollars.

(5) Candidate or political committees may make certifications available to entities for electronic or other written submission. Certifications may include the suggested format below, or a different format that includes the following information:
