

WAC 480-07-500 General rate proceedings—Statement of policy.

(1) **Scope of this subpart.** This subpart explains the special requirements for certain filings to change rates charged by electric, natural gas, pipeline, telecommunications, and water companies, low-level radioactive waste sites, solid waste collection companies, and commercial ferries, and marine pilotage services.

(2) **Inconsistencies with subpart A requirements.** If there is any inconsistency between the requirements in subpart B of these rules and those in subpart A, the requirements in subpart B control.

(3) **Purpose of special rules.** The special requirements in subpart B are designed to standardize presentations, clarify issues, and speed and simplify processing of general rate proceedings.

(4) **Failure to comply.** The commission, pursuant to WAC 480-07-141, may reject, or require the company to revise, any filing to initiate a general rate proceeding that does not conform to the requirements of subpart B of these rules. The commission will provide a written statement of its reasons if it rejects a filing. The company may revise or refile a filing that remedies the noncompliance the commission has identified and otherwise fully complies with the rules consistent with the requirements in WAC 480-07-141(2), which governs the date on which the commission considers a filing to have been made.

(5) **Less than statutory notice.** The commission may grant requests to alter tariffs on less than statutory notice for good cause shown, in accordance with RCW 80.28.060 or 81.28.050. A company that seeks to implement general rate proceeding tariff changes on less than statutory notice must include with its filing a complete explanation of the reasons that support such treatment.
