

WAC 480-80-124 Failure to provide statutory notice. Except as provided under WAC 480-80-122, a tariff filing issued without the required statutory notice to the commission and the public has the same status as if the tariff filing had not been issued. A utility must give full statutory notice on any reissued tariff filing. The commission will promptly notify the utility in writing when a tariff filing is rejected for failure to provide statutory notice, but failure to notify the utility will not affect the status of the tariff filing.
