

**WAC 480-123-080 Annual plan for universal service support expenditures.** (1) Not later than July 1st of each year, every ETC that receives federal support from any category in the federal high-cost fund must report the planned use of federal support related to Washington state that will be received during the coming calendar year. The report must include the company's planned gross capital expenditures and operating expenses made with federal high-cost support received by the ETC for the coming calendar year along with a description of major projects and affected exchanges.

(2) The report must include a substantive plan of the investments and expenditures to be made with federal support and a substantive description of how those investments and expenditures will benefit customers.

(3) As part of the initial ETC petition for federal high-cost support, and at least once every three years thereafter, a wireless ETC must submit a map in .shp format that shows the general location where it provides commercial mobile radio service signals.
