

WAC 16-80-006 Adoption of USDA pseudorabies eradication program standards. In addition to the rules adopted in this chapter, the Washington state department of agriculture adopts the procedures and methods of the USDA pseudorabies eradication state-federal-industry program standards, effective November 1, 2003. The department maintains a copy of this document for public inspection. You may find the information on the internet at <https://www.aphis.usda.gov/aphis/ourfocus/animalhealth/animal-disease-information/swine-disease-information/swine-pseudorabies>.
