

WAC 25-46-060 Summary of information required for registration.

(1) In order to be considered complete, each registration form shall include:

(a) A description of the historic archaeological resource sufficient to identify its historic association, identity, and integrity of its physical remains. Any historic information you have on the resource and the circumstances of its loss.

(b) Locational information including latitude, longitude, and depth, township, range, section and quarter section, and UTM.

(c) A copy of the relevant United States Coast and Geodetic Survey chart indicating the resource's location. The location of the resource plotted on a USGS topography map.

(d) A copy of a photograph or videotape documenting the existence of identifiable physical remains of the resource sufficient to establish its historic identity and integrity. If a photograph or videotape will not establish the existence of identifiable physical remains of the resource sufficient to establish its historic identity and integrity, the applicant may apply to the department for permission to obtain a sample artifact for this purpose. In the event the applicant wishes to apply for such permission, the applicant shall be subject to some portions of WAC 25-48-030.

(2) Failure to supply this information to the satisfaction of the department may result in the application being deemed incomplete or inadequate under WAC 25-46-100 and 25-46-120.
