The following disciplinary sanctions may be imposed upon students found to have violated the student conduct code.

(1) Disciplinary warning. A verbal statement to a student that there is a violation and that continued violation may be cause for further disciplinary action.

(2) Written reprimand. Notice in writing that the student has violated one or more terms of this student conduct code and that continuation of the same or similar behavior may result in more severe disciplinary action.

(3) Disciplinary probation. Formal action placing specific conditions and restrictions upon the student's continued attendance depending upon the seriousness of the violation and which may include a deferred disciplinary sanction. If the student subject to a deferred disciplinary sanction is found in violation of any college rule during the time of disciplinary probation, the deferred disciplinary sanction which may include, but is not limited to, a suspension or a dismissal from the college, shall take effect immediately without further review. Any such sanction shall be in addition to any sanction or conditions arising from the new violation. Probation may be for a limited period of time or may be for the duration of the student's attendance at the college.

(4) Disciplinary suspension. Dismissal from the college and from the student status for a stated period of time. There will be no refund of tuition or fees for the quarter in which the action is taken.

(5) Dismissal. The revocation of all rights and privileges of membership in the college community and exclusion from the campus and college-owned or controlled facilities without any possibility of return. There will be no refund of tuition or fees for the quarter in which the action is taken.

The student may choose the professional within the scope of practice and with the professional credentials as defined by the college. The student will sign all necessary releases to allow the college access to any such evaluation. The student's return to college may be conditioned upon compliance with the recommendations set forth in such a professional evaluation. If the evaluation indicates that the student is not capable of functioning within college community, the student will remain suspended until future evaluation recommends that the student is capable of reentering the college and complying with the rules of conduct.
