

WAC 173-446-430 Transfers of no cost allowances from a utility's holding account to its limited use holding account for consignment to auction.

(1) A utility wishing to consign no cost allowances to auction must transfer those no cost allowances from its holding account to its limited use holding account by submitting a request to ecology asking for the transfer and providing the following information:

(a) The utility's holding account number;

(b) The utility's limited use holding account number; and

(c) The quantity and vintage of no cost allowances to be transferred.

(2) Upon receipt of the required information, ecology will transfer the allowances from the utility's holding account to its limited use holding account.
