DEFINITIONS

WAC 182-532-001 Reproductive health services—Definitions. The following definitions and those found in chapter 182-500 WAC apply to this chapter.

340B dispensing fee - The medicaid agency's established fee paid to a registered and medicaid-participating 340B drug program provider under the public health service (PHS) act for expenses involved in acquiring, storing and dispensing prescription drugs or drug-containing devices (see WAC 182-530-7900). A dispensing fee is not paid for non-drug items, devices, or supplies (see WAC 182-530-7050).

"Complication" - A condition occurring subsequent to and directly arising from the family planning services received under the rules of this chapter.

"Comprehensive preventive family planning visit" - For the purposes of this program, a comprehensive, preventive, contraceptive visit that includes evaluation and management of an individual, such as: Age appropriate history, examination, counseling/anticipatory guidance, risk factor reduction interventions, and laboratory and diagnostic procedures that are covered under the client's respective agency program.

"Contraception" - Prevention of pregnancy through the use of contraceptive methods.

"Contraceptive" - Food and Drug Administration (FDA)-approved prescription and nonprescription methods, including devices, drugs, products, methods, or surgical interventions used to prevent pregnancy, as described in WAC 182-530-2000.

"Family planning only - Pregnancy related program" - The program that covers family planning only services for eligible clients for ten months following the sixty-day post pregnancy period.

"Family planning only program" - The program that covers family planning only services for eligible clients for twelve months from the date the agency determines eligibility. This program was formerly referred to as TAKE CHARGE.

"Family planning services" - Medically safe and effective medical care, educational services, and contraceptives that enable individuals to plan and space the number of their children and avoid unintended pregnancies.

"Natural family planning" (also known as fertility awareness method) - Methods to identify the fertile days of the menstrual cycle and avoid unintended pregnancies, such as observing, recording, and interpreting the natural signs and symptoms associated with the menstrual cycle.

"Over-the-counter (OTC)" - Drugs, devices, and products that do not require a prescription to be sold or dispensed. (See WAC 182-530-1050)

"Reproductive health" - The prevention and treatment of illness, disease, and disability related to the function of reproductive systems during all stages of life and includes:

- (a) Related, appropriate, and medically necessary care;

WAC 182-532-140 Reproductive health services—Reimbursement and payment limitations. (1) The medicaid agency reimburses providers for covered reproductive health services using the medicaid agency's published fee schedules.

(2) Family planning pharmacy services, family planning lab services, and sterilization services are reimbursed by the medicaid agency under the rules and fee schedules applicable to these specific programs.

(3) The medicaid agency pays a dispensing fee only for contraceptive drugs that are purchased through the 340B program of the Public Health Service Act. (See chapter 182-530 WAC.)

(4) Family planning providers under contract with the agency's managed care plans must directly bill the plans for family planning or STI services received by clients enrolled in the plan.

(5) Family planning providers not under contract with the agency's managed care plans must bill using fee for service when providing services to managed care clients who self-refer outside their plans.

(6) Family planning providers or agency-contracted local health department STI clinics under contract with the agency's managed care plans must abide by their contract regarding lab services needed by clients from that plan.

(7) Family planning providers or agency-contracted local health department STI clinics not under contract with the agency's managed care plans must pay a lab directly for services provided to clients who self-refer outside of their managed care plan. Providers then must bill the medicaid agency for reimbursement for lab services.

(a) Labs must be certified through the Clinical Laboratory Improvements Act (CLIA).

(b) Documentation of current CLIA certification must be kept on file.

(8) Under WAC 182-501-0200, the medicaid agency requires a provider to seek timely reimbursement from a third party when a client has available third-party resources. The exceptions to this requirement are described under WAC 182-501-0200 (2) and (3).

WAC 182-532-510 Family planning only programs—Eligibility. To be eligible for one of the family planning only programs listed in this section, a client must meet the qualifications for that program. For the purposes of this section, "full-scope coverage" means coverage under either the categorically needy (CN) program, the broadest, most comprehensive scope of health care services covered or the alternative benefits plan (ABP), the same scope of care as CN, applicable to the apple health for adults program.

(1) **Family planning only - Pregnancy related program.**

(a) To be eligible for family planning only - Pregnancy related services, as defined in WAC 182-532-001, a client must be determined eligible for the Washington apple health for pregnant women program during the pregnancy, or determined eligible for a retroactive period covering the end of a pregnancy. See WAC 182-505-0115.

(b) A client is automatically eligible for the family planning only - Pregnancy related program when the client's pregnancy ends.

(c) A client may apply for the family planning only program in subsection (2) of this section up to sixty days before the expiration of the family planning only - Pregnancy related program.

(2) **Family planning only program.**

(a) To be eligible for family planning only services, as defined in WAC 182-532-001, a client must:

(i) Provide a valid Social Security number (SSN) or proof of application to receive an SSN, be exempt from the requirement to provide an SSN as provided in WAC 182-503-0515, or meet good cause criteria listed in WAC 182-503-0515(2);

(ii) Be a Washington state resident, as described under WAC 182-503-0520;

(iii) Have an income at or below two hundred sixty percent of the federal poverty level, as described under WAC 182-505-0100;

(iv) Need family planning services; and

(v) Have been denied apple health coverage within the last thirty days, unless the applicant:

(A) Has made an informed choice to not apply for full-scope coverage, including family planning;

(B) Is age eighteen or younger and seeking services in confidence;

(C) Is a domestic violence victim who is seeking services in confidence; or

(D) Has an income of one hundred fifty percent to two hundred sixty percent of the federal poverty level, as described in WAC 182-505-0100.

(b) A client is not eligible for family planning only medical if the client is:

- (i) Pregnant;
 - (ii) Sterilized;
 - (iii) Covered under another apple health program that includes family planning services; or
 - (iv) Covered by concurrent creditable coverage, as defined in RCW 48.66.020, unless they meet criteria in (a) (v) of this subsection.
- (c) A client may reapply for coverage under the family planning only program up to sixty days before the expiration of the twelve-month coverage period. The agency does not limit the number of times a client may reapply for coverage.

WAC 182-532-520 Family planning only programs—Provider requirements. To be paid by the medicaid agency for services provided to clients eligible for family planning only programs, providers must:

- (1) Meet the requirements under this chapter and chapters 182-501 and 182-502 WAC;
- (2) Provide only those services that are within the scope of their licenses;
- (3) Bill the agency according to the agency's published billing guides;
- (4) Educate clients on Food and Drug Administration (FDA)-approved contraceptive methods and over-the-counter (OTC) contraceptive drugs, devices, and products, as well as related medical services;
- (5) Provide medical services related to FDA-approved contraceptive methods and OTC contraceptive drugs, devices, and products as medically necessary;
- (6) Supply or prescribe FDA-approved contraceptive methods and OTC contraceptive drugs, devices, and products as medically appropriate; and
- (7) Refer the client to available and affordable nonfamily planning primary care services, as needed.

WAC 182-532-550 Family planning only programs—Payment limitations. (1) The medicaid agency limits payment under the family planning only programs to services that:

(a) Have a primary focus and diagnosis of family planning as determined by a qualified licensed medical practitioner; and

(b) Are medically necessary for the client to safely and effectively use, or continue to use, the client's chosen contraceptive method.

(2) The agency pays:

(a) Providers for covered family planning services using the agency's published fee schedules;

(b) For family planning pharmacy services, family planning laboratory services, and sterilization services using the agency's published fee schedules; and

(c) A dispensing fee only for contraceptive drugs purchased through the 340B program of the Public Health Service Act. (See chapter 182-530 WAC)

(3) The agency does not pay for inpatient services under the family planning only programs, except for complications arising from covered family planning services.

(4) The agency requires providers to:

(a) Meet the timely billing requirements of WAC 182-502-0150; and

(b) Seek timely reimbursement from a third party when a client has available third-party resources, as described under WAC 182-501-0200. Exceptions to this requirement are described under WAC 182-501-0200 (2) and (3) and 182-532-570.

(5) Services provided to family planning clients by federally qualified health centers (FQHCs), rural health centers (RHCs), and Indian health care providers (IHCP) do not qualify for encounter or enhanced rates.

WAC 182-532-560 Family planning only programs—Documentation requirements. In addition to the requirements in WAC 182-502-0020, providers must document the following in the client's medical record:

(1) Primary focus and diagnosis of the visit is family planning related;

(2) Contraceptive methods discussed;

(3) Plan for use of a contraceptive method, or the reason and plan for no contraceptive method;

(4) Education, counseling, and risk reduction with sufficient detail that allows for follow-up;

(5) Referrals to, or from, other providers; and

(6) If applicable, a copy of the completed consent form for sterilization. (See WAC 182-531-1550)

WAC 182-532-570 Family planning only programs—Good cause exemption from billing third-party insurance. (1) For the purposes of this section, "good cause" means that the use of the third-party coverage would violate a client's confidentiality because the third party:

(a) Routinely sends written, verbal, or electronic communications, as defined in RCW 48.43.505, to the third-party subscriber and that subscriber is someone other than the client; or

(b) Requires the client to use a primary care provider who is likely to report the client's request for family planning services to the subscriber.

(2) Clients eligible for family planning only programs may request an exemption from the requirement to bill third-party insurance due to "good cause" if they are:

(a) Eighteen years of age or younger and seeking services in confidence; or

(b) Domestic violence victims and seeking services in confidence.
