

WAC 230-11-085 Modified pricing plans for tickets for members-only raffles. (1) Licensees may use modified ticket pricing plans at members-only raffles when gross revenues do not exceed \$5,005. One type of modified pricing plan is a penny raffle. A penny raffle is a raffle where licensees sell 500 consecutively numbered tickets. Participants randomly choose tickets and pay the consecutive number of the ticket multiplied by a predetermined cost, for instance, one penny.

(2) In modified pricing plans, licensees may sell tickets to enter a raffle for different values, not to exceed \$10 for a single ticket, if the licensee:

(a) Discloses to the participants the pricing plan before selling them a ticket to participate. The licensee must disclose to the participant the total number of tickets in the population available and the number of tickets at each price level; and

(b) Allows participants to randomly select their ticket from the population of remaining tickets and pay the amount printed on the ticket they select; and

(c) Establishes records for an adequate audit trail to determine gross gambling receipts; and

(d) Holds no more than two such drawings during a meeting or event.
