

WAC 246-101-101 Notifiable conditions—Health care providers and health care facilities. (1) For the purposes of this section:

(a) "Local health jurisdiction" means where the patient resides, or, in the event the patient's residence cannot be determined, the local health jurisdiction in which the patient received treatment.

(b) "Unexplained critical illness or death" means a severe illness or death with infectious hallmarks, but no known etiology, in a previously healthy person one to forty-nine years of age excluding those with chronic medical conditions such as malignancy, diabetes, AIDS, or cirrhosis.

(2) The conditions identified in Table HC-1 are notifiable to public health authorities under this table and this chapter.
