

**WAC 260-36-055 Vendors license required.** (1) Any individual or business that offers a service or product for a fee in the restricted area of the grounds must obtain a vendors license. These services include, but are not limited to:

- (a) Feed and bedding;
- (b) Equine massage or dentistry;
- (c) Farriers;
- (d) Horse transportation;
- (e) Tack and supplies; and
- (f) Vitamins and supplements.

(2) For horse transportation companies, the manager or owner of the business must obtain a license.

Drivers designated for the route that normally includes the track must obtain a service employee license.

(3) The commission may require proof of a Washington state business license prior to licensure.
