

WAC 296-128-600 Definitions.

(1) "Absences exceeding three days" means absences exceeding three consecutive days an employee is required to work. For example, assume an employee is required to work on Mondays, Wednesdays, and Fridays, and then the employee uses paid sick leave for any portion of those three work days in a row. If the employee uses paid sick leave again on the following Monday, the employee would have absences exceeding three days.

(2) "Commencement of his or her employment" as provided in RCW 49.46.210 (1)(d), means no later than the beginning of the first day on which the employee is authorized or required by the employer to be on duty on the employer's premises or at a prescribed workplace. "Commencement of their employment" has the same meaning.

(3) "Construction industry employer" means an employer in the industry described in North American industry classification system industry code 23, except for residential building construction code 2361.

(4) "Construction worker" means a worker who performed service, maintenance, or construction work on a job site, in the field or in a fabrication shop using the tools of the worker's trade or craft.

(5) "Construction worker covered by a collective bargaining agreement" as provided in RCW 49.46.180, means a worker who performed service, maintenance, or construction work on a job site, in the field or in a fabrication shop using the tools of the worker's trade or craft who is covered by a collective bargaining agreement. To meet this definition, the union signatory to the collective bargaining agreement must be an approved referral union program authorized under RCW 50.20.010 and in compliance with WAC 192-210-110, the collective bargaining agreement must establish equivalent sick leave provisions, as provided in RCW 49.46.180(2), and the collective bargaining agreement or CBA addendum must expressly waive the requirements of RCW 49.46.200 through 49.46.830 in clear and unambiguous terms or in an agreed addendum to an existing agreement previously ratified.

(6) "Department" means the department of labor and industries.

(7) "Director" means the director of the department of labor and industries, or the director's authorized representative.

(8) "Employee" has the same meaning as RCW 49.46.010(3). An employee includes a construction worker or construction worker covered by a collective bargaining agreement unless a more specific provision applies.

(9) "Employer" has the same meaning as RCW 49.46.010(4).

(10) "Frontloading" means providing an employee with paid sick leave before it has accrued at the rate required by RCW 49.46.210 (1)(a).

(11) "Health-related reason," as provided in RCW 49.46.210 (1)(b)(iii), means a serious public health concern that could result in bodily injury or exposure to an infectious agent, biological toxin, or hazardous material. Health-related reason does not include closures for inclement weather.

(12) "Hours worked" shall be interpreted in the same manner as WAC 296-126-002(8).

(13) "Normal hourly compensation" means the hourly rate that an employee would have earned for the time during which the employee used paid sick leave. For employees who use paid sick leave for hours that would have been overtime hours if worked, employers are not required to apply overtime standards to an employee's normal hourly compensation. Normal hourly compensation does not include tips, gratuities, service charges, holiday pay, or other premium rates, unless the em-

ployer or a collective bargaining agreement allow for such considerations. However, where an employee's normal hourly compensation is a differential rate, meaning a different rate paid for the same work performed under differing conditions (e.g., a night shift), the differential rate is not a premium rate.

(14) "Regular and normal wage" has the same meaning as normal hourly compensation.

(15) "Separation" and "separates from employment" mean the end of the last day an employee is authorized or required by the employer to be on duty on the employer's premises or at a prescribed workplace.

(16) "Verification" means evidence that establishes or confirms that an employee's use of paid sick leave is for an authorized purpose under RCW 49.46.210 (1)(b) and (c).

(17) "Workweek" means a fixed and regularly recurring period of 168 hours, or seven consecutive 24 hour periods. It may begin on any day of the week and any hour of the day, and need not coincide with a calendar week.
