

WAC 296-860-20070 Move excessive height or width rail car loads with care.

Note: This section regulates rail cars whose dimensions exceed ten feet ten inches wide by fifteen feet six inches high.

(1) You must make sure your yard supervisor is given advanced notice regarding the arrival of any excess height or width cars so they can safeguard any employees working in the yard.

(2) You must make sure no one is allowed to ride on the:

(a) Roof of any excessive height car.

(b) Side of any excessive width car.

(c) Side of any car with a load extending more than five feet five inches from the car's centerline.
