

WAC 388-101D-0330 Storage of medications. (1) The service provider must keep a client's medications so they are not readily available to other clients.

(2) The service provider must store medications:

(a) Under proper conditions for sanitation, temperature, moisture, and ventilation, and separate from food or toxic chemicals; and

(b) In the original medication container with a pharmacist-prepared label, a manufacturer's label in accordance with WAC 388-101D-0295, or in a medication organizer clearly labeled with the:

(i) Name of the client for whom the medication is prescribed;

(ii) Name of each medication;

(iii) Medication dose and frequency to be given; and

(iv) Route each medication is to be administered.

(3) Group homes must:

(a) Keep all medications in locked storage; and

(b) Use medication organizers only when filled by a pharmacist.
