

WAC 504-14-520 Parking permits—Form and display. All parking permits must be displayed in the approved position on the vehicle with permit numbers and relevant dates visible. Vehicles with permits which are not displayed in accordance with the provisions of this section are subject to parking tickets for the violation of improperly displaying a permit.

(1) Autos and trucks. Permits must be displayed as instructed on the permit and/or by the parking office.

(2) Motorcycles must always prominently display a valid permit.

(3) Virtual permits. Certain parking permissions do not require that a permit be displayed. In those instances, the virtual permit is associated with the vehicle license plate registered.

(a) Vehicles must be parked so that the license plate is visible from the driving aisle.

(b) No covers may be placed over the license plate that would inhibit the reflectivity of the plate.

(c) The alphanumeric characters of the license plate must be visible and unobstructed by license plate frames and/or other accessories.

(d) Individuals with virtual permits must ensure their current vehicle is registered and associated with their virtual permit. This process can be accomplished at the parking office.

(e) A virtual permit with multiple registered vehicles on the same virtual permit does not allow for more than one motor vehicle to be parked on campus at the same time.
