

WAC 16-160-140 Initial application requirements. (1) Applications must be submitted on the form provided by the department, and must include:

(a) Material registrant agreement in which the registrant agrees to comply with chapter 16-160 WAC.

(b) The name and address of the registrant.

(c) Manufacturer information:

(i) Name and address of the manufacturer;

(ii) Contact information, including the name and phone number of the authorized representative of the registrant; and

(iii) List of all material manufactured at the same facility as the registered material.

(d) The brand name that the material is sold under.

(e) A copy of the label or bill of lading accompanying the material and a statement of all claims made for it, including directions and precautions for use.

(f) The complete formula or any alternate formulations for the material, including active and inert ingredients:

(i) Supplier of each ingredient;

(ii) Percentage of ingredient in the final formula; and

(iii) Purpose of each ingredient in the formula.

(g) Ingredient information for each ingredient listed in the formula (including alternate formulas) sufficient to demonstrate compliance with the standards of the National Organic Program:

(i) Manufacturing process; and

(ii) Formulation, including active and inert ingredients.

(h) A description of the manufacturing process for the material, including all substances used for the extraction and synthesis process, if appropriate. If the manufacturing facility manufactures materials other than the material listed in the application, the application must include a plan to prevent the contamination or commingling of materials allowed or prohibited in organic agriculture.

(i) A flow chart, indicating movement of material from incoming ingredient to outgoing final material. The flow chart may include, but is not limited to:

(i) Storage facilities;

(ii) Equipment location; and

(iii) Shipping facilities.

(j) The intended use of the material.

(k) The required fee for registration.

(l) Signature by authorized representative.

(m) The department may request additional information related to the items above as necessary to demonstrate that the material meets the standards of the National Organic Program.

(2) Applications for fertilizers and pesticides must submit verification of a valid registration from the WSDA pesticide management division.

(3) In addition to the information required in this section, a registrant who is packaging or distributing a material manufactured by another person or manufacturer or are otherwise not responsible for the processing or production of the final product must submit a statement from the manufacturer of the material granting the department access to the manufacturing facility and authorizing inspections in accordance with WAC 16-160-180.
