

WAC 242-03-960 Continued noncompliance—Recommendation to the governor. If the board finds that the county, city, or state agency continues to be in noncompliance with the act, the board shall transmit its findings to the governor. The board may recommend that sanctions authorized by the act be imposed. A county or city's efforts to meet a compliance schedule shall be considered by the board in making a recommendation on sanctions to the governor.
