- WAC 246-254-130 Radioactive waste disposal site surveillance fee. (1) The department shall charge a radioactive waste site surveillance fee of \$26 per cubic foot to generators and brokers of LLRW (low-level radioactive waste) and NARM (naturally occurring and accelerator produced radioactive material).
- (2) The fee shall be an added charge on each cubic foot of LLRW and NARM disposed at the disposal site.
- (3) The department shall authorize by contract the operator of a low-level radioactive waste disposal site to collect the fee from waste generators and brokers.
- (4) The department shall provide for reimbursement to the site operator for collection costs.
- (5) The department shall calculate the fee collected from waste generators and brokers as required under RCW 70A.388.060 and the fee shall not exceed the statutory limit specified in that section.
- (6) The site operator shall remit the fee to the department as follows:
  - (a) Quarterly for the first seven quarters of each biennium.
  - (b) By July 15th for the final quarter of the biennium.
