WAC 357-58-530 What is the responsibility of agencies to track and analyze requests for reconsideration of agency actions? Each agency must:

- (1) Maintain a record of the number, nature, and outcome of employee requests for reconsideration of an agency action.
- (2) Identify and act upon any patterns or trends that signal problems or development or training needs among its managers.

[Statutory Authority: Chapter 41.06 RCW. WSR 05-12-072, \$357-58-530, filed 5/27/05, effective 7/1/05.]
