

WAC 388-833-0016 How does the provider determine if they can safely meet a client's needs? To determine whether they can safely meet a client's needs, the intensive habilitation services provider reviews client information, such as:

- (1) The client's referral packet;
- (2) Information gathered from the client, collateral contacts, or case manager; and
- (3) Composition of clients currently supported by the provider.
