WAC 388-842-0125 What requirements must the individual instruction and support plan meet? The individual instruction and support plan must:

(1) Describe habilitation goals that the provider and client will work on together while the provider supports the client;

(2) List the instruction and support activities the provider will provide to the client and explain how those activities meet the assessed needs identified in the client's person-centered service plan;

(3) Describe other relevant support and service information; and

(4) For clients over age 16, include a plan for promoting independent living skills, including financial readiness education and internet literacy.
