WAC 504-13-600 Parking permits for individuals with disability. (1) The provisions of this chapter cover the purchase and display of parking permits and the payment of fees and fines associated with parking for individuals with disability.

(2) For the purpose of this chapter, individuals with disability shall refer to an individual or individuals with disability who qualify for a state-issued individuals with disability parking identification and permit.

(3) Unless otherwise authorized, parking in spaces designated for individuals with disability requires a valid university individual with disability parking permit to park on campus.

(4) Persons with an individuals with disability parking permit may park in an individuals with disability parking space and any other nonrestricted permit space.

(5) Individuals with an individuals with disability parking permit may not park in restricted spaces, with the exception of individuals with disability parking spaces.

(6) Unless otherwise posted, individuals with disability parking permits are not valid in lieu of payment of regular posted fees in pay parking facilities.

(7) A state-issued persons with disability license plate, placard, or permit is valid in lieu of a university persons with disability parking permit in parking zones during times when a university permit is not required.

(8) The university intends to retain control of access to the pedestrian malls on campus. For that reason a university persons with disability parking permit is required in lieu of a state-issued persons with disability license plate, placard, or permit as authorization to use a pedestrian mall to access marked persons with disability parking spaces within the confines of a pedestrian mall.
