AMENDATORY SECTION (Amending WSR 19-05-067, filed 2/19/19, effective 3/22/19)

**WAC 132H-169-040 Requests for public records.** (1) Written requests preferred. Request for public records of the college may be ad-

dressed to the public records officer at the address given in WAC 132H-169-035. The college encourages, but does not require, requestors to use the public records request form made available by the public records office or online at (~~(<https://www.bellevuecollege.edu/legal/publicrecords/>)~~) <https://www.bellevuecollege.edu> and search "public records." Requests made orally, whether by phone or in person, may be confirmed in writing by the public records officer.

(2) Contents of records requests. A request for public records must include the following information:

(a) The name and contact information of the person requesting the records;

(b) The requestor's mailing address, which may be an electronic mail address;

(c) The date and time of the request;

(d) A description of the requested records that is sufficiently detailed to enable the public records officer to identify and locate the records; and

(e) A statement indicating whether the requestor wishes to inspect the records or to receive copies of the records in paper or electronic form.

(3) Lists of individuals for commercial purposes. State agencies and institutions are not permitted to provide lists of individuals for commercial purposes. A request for lists of individuals must be accompanied by the requestor's signed declaration that the list will not be used for commercial purposes. The public records officer may inquire as to the requestor's intended use of the list and may deny the request if it is evident from the request that the list will be used for a commercial purpose.

(4) Assistance in identifying records. The public records officer may assist requestors in identifying the specific records sought by the requestor. With limited exceptions, a requestor may not be required to state the purpose of the request. However, the records officer may ask the purpose of the request if such inquiry will assist in identifying the records request.

AMENDATORY SECTION (Amending WSR 19-05-067, filed 2/19/19, effective 3/22/19)

**WAC 132H-169-085 Copying fees—Payments.** (1) Fees and payment procedures. The following copying fees and payment procedures apply to requests to the college under chapter 42.56 RCW and received on or after the effective date of this section.

(2) Inspection of records. There is no fee for inspecting public records made available for inspection by the public records officer.

(3) Actual costs not calculated. Pursuant to RCW 42.56.120

(2) (b), the college is not calculating all actual costs for copying records because to do so would be unduly burdensome for the following reasons:

(a) The institution does not have the resources to conduct a study to determine all its actual copying costs;

(b) To conduct such a study would interfere with other essential college functions; and

(c) Through the 2017 legislative process, the public and requestors have commented on and been informed of authorized fees and costs,

including for electronic records, provided in RCW 42.56.120 (2)(b) and (c), (3), and (4).

(4) Default fees adopted. The college will charge for copies or records pursuant to the default fees in RCW 42.56.120 (2)(b) and (c). The college will charge for customized services pursuant to RCW 42.56.120(3). Under RCW 42.56.130, the college may charge other copy fees authorized by statutes outside of chapter 42.56 RCW. The college may enter into an alternative fee agreement with a requestor under RCW 42.56.120(4). The charges for copying methods used by the college are summarized in the fee schedule available on the college's website at (~~(<https://www.bellevuecollege.edu/legal/publicrecords/>)~~) <https://www.bellevuecollege.edu> and search "public records."

(5) Advance payment required - Fee waivers. Requestors are required to pay for copies in advance of receiving records or an installment of records. The records officer will notify the requestor when payment is due. Fee waivers are an exception and are available for some small requests under the following conditions:

(a) It is within the discretion of the public records officer to waive copying fees when:

(i) All of the records responsive to an entire request are paper copies only and consist of (~~(twenty-five)~~) 25 or fewer pages; or

(ii) All of the records responsive to an entire request are electronic and can be provided in a single email with attachments of a size totaling no more than the equivalent of (~~(one hundred)~~) 100 printed pages. If that email for any reason is not deliverable, records will be provided through another means of delivery, and the requestor will be charged in accordance with this rule.

(b) Fee waivers are not applicable to records provided in installments.

(6) Copying fee deposits. The public records officer may require an advance deposit of (~~(ten)~~) 10 percent of the estimated fees when copying fees for an installment or an entire request or customized service charge, exceed (~~(twenty-five dollars)~~) \$25.

(7) Payment method. Payment should be made by check or money order payable to Bellevue College. The college prefers not to receive cash. For cash payments, it is within the public records officer's discretion to determine the denomination of bills and coins that will be accepted.

(8) Closure of request for nonpayment. The college will close a request when a requestor fails by the payment date to pay in the manner prescribed for records, an installment of records, or a required deposit.

[Filed February 18, 2025, 10:20 a.m.]

Title of Rule and Other Identifying Information: Chapter 296-127 WAC, Prevailing wage, concerning prevailing wage sanctions, penalties, and debarment.

Purpose of the Proposal and Its Anticipated Effects, Including Any Changes in Existing Rules: The purpose of this expedited rule making is to propose amending four sections in rule to implement SHB 2136, chapter 7, Laws of 2024. The attorney general's office proposed this bill to close a loophole within prevailing wage law, expand the definition of contractor to include substantially identical entities to debarred and sanctioned contractors, and extend sanctions and penalties to those substantially identical entities.

Reasons Supporting Proposal: The department of labor and industries (L&I) needs to conduct rule making to adopt this new statutory language from chapter 39.12 RCW into chapter 296-127 WAC to align rule language with statute language. Reinforces new statutory language in WAC for consistency.

Statutory Authority for Adoption: Chapter 39.12 RCW.

Statute Being Implemented: Chapter 39.12 RCW.

Rule is not necessitated by federal law, federal or state court decision.

Name of Proponent: L&I, governmental.

Name of Agency Personnel Responsible for Drafting: Ethan Whiten-er, Tumwater, Washington, 360-890-6139; Implementation and Enforcement: David Speer, Tumwater, Washington, 360-869-6129.

Adopts or incorporates by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of statewide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule.

Corrects typographical errors, makes address or name changes, or clarifies language of a rule without changing its effect.

Explanation of the Reason the Agency Believes the Expedited Rule-Making Process is Appropriate: Adopts new statutory language from RCW 39.12.010 and 39.12.130 into rule without material change, and clarifies the language of WAC 296-127-150 without changing its effect.

The nonexclusive factors used to determine substantial identity include an assessment of whether there is: Substantial continuity of the same business operation; use of the same machinery, equipment, or both tangible and intangible real or personal property; similarity of jobs and types of working conditions; continuity of supervisors; and similarity of product or services. An entity with operational, corporate, and management structures distinct from an entity that has been found in violation under RCW 39.12.050, 39.12.055, or 39.12.065, or any associated rules, shall not be deemed a substantially identical entity.

(6) The term municipality shall include every city, county, town, district, political subdivision, or other public agency thereof which is authorized by law to require the execution of public work, except drainage districts, diking districts, diking and drainage improvement districts, drainage improvement districts, diking improvement districts, consolidated diking and drainage improvement districts, consolidated drainage improvement districts, consolidated diking improve-

(ii) All work, construction, alteration, enlargement, improvement, repair, and/or demolition which, by law, constitutes a lien or charge on any property of the state or of a municipality;

(iii) All work, construction, alteration, repair, or improvement, other than ordinary maintenance that the state or a municipality causes to be performed by a private party through a contract to rent, lease, or purchase at least 50 percent of the project by one or more state agencies or municipalities, pursuant to RCW 39.04.260;

Rental and other project revenues collected by a property management services company from the housing project's tenants and used to pay administrative operating and ordinary maintenance costs incurred by the company under the terms of the contract with the authority shall be treated as private funds, and any resulting services as executed at the cost of the property management services company and the housing project's tenants, until the net operating revenues are distributed to the authority for its exclusive use and control. For the purposes of this subsection, "ordinary maintenance" only includes: Routine repairs related to unit turnover work; grounds and parking lot upkeep; and repairs and cleaning work needed to keep a property in a clean, safe, sanitary, and rentable condition that are customarily undertaken or administered by residential property management services companies. "Ordinary maintenance" does not include repairs that would be considered replacement capital repairs or

scheduled regular maintenance work on plumbing, electrical, or HVAC/R systems or their components.

(8) "Contract" means a contract, purchase order, or any other legal agreement in writing for public work to be performed for a fixed or determinable amount, which is duly awarded after advertisement and competitive bid. AMENDATORY SECTION (Amending WSR 92-01-104, filed 12/18/91, effective 1/31/92)

**WAC 296-127-020 Interpretation of phrases used in chapter 39.12**

**RCW.** (1) The "acceptance date of the public works project" referred to in RCW 39.12.065 is the date that the contract awarding agency formally accepts the completed public works project pursuant to state law.

(2) RCW 39.12.050 and 39.12.065 refer to "inadvertent filing or reporting error." The department defines an error as "inadvertent" if it is made by a contractor, as defined by WAC 296-127-010(5), or employer that shows that the error was made notwithstanding the use of due care by the contractor or employer. The burden of proving that an error is inadvertent rests with the contractor or employer charged with the error.

(3) The definition of "locality" in RCW 39.12.010(2) contains the phrase "wherein the physical work is being performed." The department interprets this phrase to mean the actual work site. For example, if nonstandard items specifically produced for public works projects are prefabricated in a county other than the county wherein the public works project is to be completed, the wage for the offsite prefabrication shall be the applicable prevailing wage for the county in which the actual prefabrication takes place. Workers who deliver such nonstandard items, as well as materials pursuant to the terms of WAC 296-127-018, shall be paid the applicable prevailing wage for the county in which the public works project is located.

(4) In the implementation and enforcement of RCW 39.12.050, 39.12.055, 39.12.065, and 39.12.130 the terms "contractor" and "subcontractor" include an entity, however organized, with substantially identical corporate and/or operational structure to an entity that has been found to violate RCW 39.12.050, 39.12.055, and 39.12.065. The

factors used to determine substantial identity shall include an assessment of whether there is: Substantial continuity of the same business operation; use of the same machinery and/or equipment; similarity of jobs and types of working conditions; continuity of supervisors; and similarity of product or services. An entity with operational, corporate, and management structures distinct from an entity that has been found in violation under RCW 39.12.050, 39.12.055, or 39.12.065, or any associated rules, shall not be deemed a substantially identical entity.

AMENDATORY SECTION (Amending WSR 86-03-063, filed 1/17/86)

**WAC 296-127-150 Notice of violation.** (1) If the department determines after its investigation that there is reasonable cause to believe that the prevailing wage law has been violated, the department shall notify the violator of its determination. The notice of violation shall be served on the violator personally or by certified mail.

(2) The notice of violation shall:

(a) Describe concisely the violation;

(b) Specify which statute or statutes were violated;

(c) If known, identify the laborers, workers, and mechanics who are affected by the violation;

(d) If known, state the amount of unpaid prevailing wages the violator owes;

(e) State that an employee cannot by contract or agreement waive the right to receive the prevailing wage;

(f) State the penalty that the department will assess for a violation, if any, of RCW 39.12.065 and 39.12.050; ~~((and))~~

(g) State the date the complaint was filed with the department; and

(h) If applicable, state the substantially identical entity, however organized, with substantially identical operations, corporate, or management structure to an entity that has been found in violation under RCW 39.12.050, 39.12.055, or 39.12.065, or any associated rules.

(3) RCW 39.12.065 and 39.12.050 establish the penalty amounts.
