RE: Suspension of Marketing Order Rules Pertaining to Assessments for the Washington State Fryer Commission – July 1, 2009 through August 31, 2009

The Chairman of the Washington Fryer Commission (WFC), in a letter dated July 20, 2009, requested a suspension of the marketing order rules pertaining to the collection of assessments upon all fryers, roasters and broilers under the age of six months as described in WAC 16-512-040 (1) and (2). I have reviewed the Chairman's request, as well as the minutes of the WFC Board Meeting of July 15, 2009, where the proposed suspension was discussed and voted on by the WFC. Based on this documentation, I have decided to approve the requested suspension.

RCW 15.66.093, in pertinent part, allows the Director of the Department of Agriculture "upon the request of a commodity commission and without compliance with RCW 15.66.070 through 15.66.090, [to] suspend the commission's order or term or provision thereof for a period not to exceed one year, if the director finds that the suspension will tend to effectuate the declared policy of this chapter."

I have determined that suspending the collection of assessments will effectuate a stated policy of RCW 15.66. **I am, therefore, suspending the collection of assessments by the Washington Fryer Commission for an additional period of two months, effective July 1, 2009 and ending August 31, 2009. Assessment collections would resume September 1, 2009.**

Even though a public hearing process is not required under RCW 15.66.093, I ask that notice of this action be published in the Washington State Register.
