

STATE OF WASHINGTON
DEPARTMENT OF AGRICULTURE
OLYMPIA

ORDER NO. 824

Supersedes Order No. 798

Effective March 10, 1961

**A Regulation Relating to the Use of Chemicals and
Chemically Treated Materials in Columbia County**

I, Joe Dwyer, Director of Agriculture, State of Washington, after public notice and hearing held at Dayton, Washington on October 26, 1960, by virtue of authority vested in me under Chapter 61, Session Laws of 1951, as amended by Chapter 261, Session Laws of 1953, Revised Code of Washington Chapter 17.20, do hereby amend Order No. 798 to read as follows:

Regulation 1. Area Under Order

Sections 1 through 10, Township 9 North, Range 38 East; Sections 24, 25, 26 and 31 through 36, Township 10 North, Range 38 East; Sections 19, 20 and 28 through 33, Township 10 North, Range 39 East; and Sections 3, 4, 5, 8, 9, 10, 15, 16, 17, 21 and 22, and that portion of Section 20 lying east of the Payne Hollow Road in Township 9 North, Range 39 East, in Columbia County.

Regulation 2. Type of Herbicides Prohibited

The use or application of the herbicides known as 2,4-D, 2,4,5-T and M.G.P. of the ester type or any formulation thereof with any other herbicides, chemicals, oils, salts or water on any crops, shrubs or lands except the amine formulation or those ester formulations labeled as low volatile as authorized under the Federal Insecticide, Fungicide and Rodenticide Act, is prohibited in the area described in Regulation 1 of this order.

Dust formulations of any and all the materials or chemicals referred to in the above paragraphs are prohibited in the entire area under order (Regulation 1).

Regulation 3. Specifications for Applicator Equipment

Aircraft carrying herbicides known as 2,4-D, 2,4,5-T and M.G.P. of the amine, sodium salt, dust or ester type, or any formulation thereof with any other herbicides, chemicals, oils, salts or water, are prohibited from turning or low flying over cities and towns or over farmsteads, windbreaks, orchards, or cultivated row crops belonging to any persons other than the owner of the property being treated, except by permission of the person whose farmstead, windbreak, orchard or cultivated row crop is involved, within the area under regulation.

Regulation 4. Application Techniques

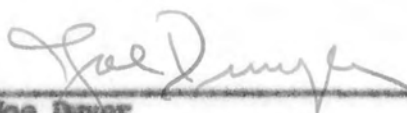

Aircraft application of the materials or chemicals referred to in the preceding paragraphs and in the area referred to in Regulation 1 shall be made with due regard to relationship to weather conditions and relation to susceptible crops or valuable vegetation within the area.

Ground equipment used within the area described in Regulation 1 shall operate with due regard to wind velocity and direction in relation to susceptible crops or valuable vegetation within the area.

Regulation 5.

Injurious herbicides or emptied containers thereof shall not be dumped or abandoned or allowed to remain at any place where plants of value are likely to be injured by the vapor or by water flowing through or over the material. Equipment used for injurious herbicides shall not be stored or allowed to remain at any place where susceptible plants might be affected.

This order shall remain in effect until superseded or amended.

Joe Dyer
Director of Agriculture
State of Washington
