

TRANSMITTAL OF RULES ADOPTED

FROM: Department of Agriculture
(Name of Agency)

TO: CODE REVISER
LEGISLATIVE BLDG (Southwest Corner, Ground Floor)
Olympia 98501

The enclosed Permanent rules , being order No. 1173
Emergency rules
relating to (Name of rules or description of subject matter)

Regulations Relating To The Control Of Virulent
Hog Cholera Virus; And All Other Hog Cholera Vaccines;
The Quarantine Of Premises Where Cholera Is Known To
Exist; Farm Movements

(ALTERNATIVE A. Use only for adoption of permanent rules)

pursuant to Notice No. 2830 ^① filed with the code reviser
on 11/9/70 ^② were regularly adopted as permanent rules of this
(date)
agency at Olympia, Washington on 12/1/70 and are herewith
(place) (date)
filed in the office of the code reviser pursuant to chapter 34.04
RCW. The effective date of such rules shall be 1/14/71 ^③

(ALTERNATIVE B. Use only for adoption of emergency rules)

pursuant to its finding that the immediate adoption of
these rules is necessary for the preservation of the public
health, safety, or general welfare and that observance of the
requirements of notice and opportunity to present views on
the proposed action would be contrary to the public interest,
were regularly adopted as emergency rules of this agency at
_____ on _____ and are herewith filed in
(place) (date)
the office of the code reviser pursuant to chapter 34.04 RCW.

Dated this fifteenth day of December, 1970.

STATE OF WASHINGTON
DEPARTMENT OF AGRICULTURE
OLYMPIA

ORDER NO. 1173
AMENDING ORDER NO. 1026

EFFECTIVE JANUARY 14, 1971

REGULATIONS RELATING TO THE CONTROL OF VIRULENT
HOG CHOLERA VIRUS; AND ALL OTHER HOG CHOLERA VACCINES;
THE QUARANTINE OF PREMISES WHERE CHOLERA IS KNOWN TO
EXIST; FARM MOVEMENTS

NEW WAC 16-78-003 PROMULGATION. I, Donald W. Moos, Director of Agriculture of the State of Washington by virtue of the authority vested in me under Chapter 16.36 RCW, after due notice as provided under Chapter 34.04 and 42.32 RCW, and a public hearing held in Olympia on December 1, 1970, do promulgate the following regulations:

AMD WAC 16-78-020 VIRULENT HOG CHOLERA VIRUS. (1) For the purpose of this order "the Director" means the Director of the Department of Agriculture of the State of Washington or his duly authorized representative.

(2) Control of virulent hog cholera virus. No person, firm, corporation or association shall have in his possession or keep, sell or offer for sale, barter, exchange, giveaway, use or otherwise dispose of virulent blood or hog cholera virus or blood harboring the hog cholera virus or any other type of hog cholera vaccine in this state except for the following purposes:

(a) For research or biologics production and/or when used for the production of anti-hog cholera serum; virulent or avirulent hog cholera vaccines; or the testing of such products when under the supervision of the control agency of the United States Department of Agriculture.

(b) For research purposes when authorized by special permit issued by the Director.

(c) For emergency disease control procedures when authorized by special permit issued by the Director.

(3) Quarantine of infected or exposed swine and premises. All facilities and grounds where swine are kept and the disease of hog cholera is diagnosed or exists among such swine and/or premises where swine have been exposed to cholera shall be quarantined. No swine may be removed for any purpose from such premises for a period of at least thirty days following the date of death or final disposition of the last case of hog cholera, and all facilities and grounds are properly cleaned and disinfected as prescribed by the Director.

(4) Disposal of swine that have died from hog cholera. All swine that have died from hog cholera shall be immediately burned or buried in a grave at least four feet deep, or otherwise disposed of by special permit of the Director.

(5) Intrastate movement of swine. Healthy, unexposed swine may move intrastate from farm of origin to any destination and with no restrictions PROVIDED that:

(a) Swine moving to Public Livestock Markets will be subject to requirements of Public Livestock Market rules and

regulations.

(b) Swine moving into interstate commerce must meet requirements of Title 9, Part 76, Code of Federal Regulations and state of destination requirements.

WAC 16-78-030 PENALTY. Any person, firm or corporation violating this regulation shall be deemed guilty of a misdemeanor.

I hereby certify that the foregoing is a true and correct copy of the regulations promulgated by the Department of Agriculture.

DONALD W. MOOS
Director of Agriculture
State of Washington

Signed at Olympia, Washington
