Moos, Director of Agriculture of the State of Washington, by virtue of the authority vested in me under chapter 49, Laws of 1971 and chapter 34.04 RCW, after due notice and a public hearing held in Seattle, Washington on October 27, 1971, do promulgate the following regulations establishing standards for the packaging of bacon to be sold at retail in this state after January 1, 1972.

The adoption of this Emergency Order, establishing standards for packaging of bacon to be sold at retail in this state, is necessary for the immediate preservation of the general welfare of the public.

Section I. All bacon packages, other than cans, used for packaging bacon for distribution or sale at retail in this state shall be formed so as to readily display a substantial portion of a representative slice of the bacon packaged therein.

Section II. Any bacon packaged for sale at retail shall be deemed to be in violation of section 1, chapter 49, Laws of 1971, if it does not conform to the provisions of Regulation I.

Section III. Regulation I of this Order shall not apply to bacon sliced and packaged in full view of a retail purchaser.
