ORDER NO. 1325  
Effective October 21, 1973

WAC 16-212-140 PROMULGATION. I, Stewart Bledsoe, director of the department of Agriculture of the state of Washington, by virtue of the authority vested in me under Chapter 22.09 RCW and due notice as provided under Chapters 34.04 and 42.32 RCW, and a public hearing held in Colfax, Washington on September 11, 1973, do hereby promulgate the following regulation relating to the establishment of a grain inspection office at Colfax, Washington.

WAC 16-212-150 Testimony received at the September 11, 1973 public hearing established that there is a need for increased grain inspection services in southwest Washington because of new barge loading facilities at Almota and Central Ferry on the Snake River. There is also a need to make inspection service available for producers and handlers of dry peas and lentils. I, therefore, am directing that a Washington State Department of Agriculture grain inspection office be established at Colfax, Washington.

I hereby certify that the foregoing is a true and correct copy of the regulation promulgated.
