

**NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION
WASHINGTON ATTORNEY GENERAL**

The Washington Attorney General issues formal published opinions in response to requests by the heads of state agencies, state legislators, and county prosecuting attorneys. When it appears that individuals outside the Attorney General's Office have information or expertise that will assist in the preparation of a particular opinion, a summary of that opinion request will be published in the state register. If you are interested in commenting on a request listed in this volume of the register, you should notify the Attorney General's Office of your interest by December 14, 2005. This is not the due date by which comments must be received. However, if you do not notify the Attorney General's Office of your interest in commenting on an opinion request by this date, the opinion may be issued before your comments have been received. You may notify the Attorney General's Office of your intention to comment by calling (360) 664-3027, or by writing to the Solicitor General, Office of the Attorney General, P.O. Box 40100, Olympia, Washington 98504-0100. When you notify the office of your intention to comment, you will be provided with a copy of the opinion request in which you are interested; information about the Attorney General's Opinion process; information on how to submit your comments; and a due date by which your comments must be received to ensure that they are fully considered.

The Attorney General's Office seeks public input on the following opinion request(s).

**05-10-06 Request by Jan Shabro
State Representative, 31st District**

- 1. Are marine shorelines in Washington State to be regulated primarily under the Shorelines Management Act rather than the Growth Management Act?**

- 2. May a growth management hearings board hold that all marine shorelines are critical areas in spite of the considered determination by a local jurisdiction that specific areas less than all marine shorelines within the shorelines of the state qualified for designation as critical areas and were therefore designated as such by the local jurisdiction?**
