NEW SECTION

WAC 50-56-010 PURPOSE. The purpose of this chapter shall be to provide guidelines for application for a license to operate a nondepository small business lending venture under the auspices of the federal Small Business Administration (SBA) guaranty program known as the 7(a) loan guaranty program. Specifics of the program are set forth in section 7(a) of the federal "Small Business Investment Act of 1958," 15 U.S.C., part 636(a). These rules also establish other regulatory oversight guidelines and provide for fees. These rules are promulgated under the general rule-making authority of the state supervisor of banking, and are required under legislation passed by the legislature (section 3(1), chapter 212, Laws of 1989.)

NEW SECTION

WAC 50-56-020 APPLICATION PROCEDURES. An application for state license to operate a nondepository small business lending venture to qualify for participation in the SBA 7(a) program shall be filed with the supervisor at the division of banking and shall include such fees as established elsewhere in these rules. As a matter of general procedure, it is recommended that interested parties visit the office of the supervisor prior to submitting their application to review statutory and other requirements for this action.

NEW SECTION

WAC 50-56-030 APPLICATION FORMAT. Applicants may use the same documentation as required by the SBA for their approval of the lender to the extent that such documentation meets the requirements of statute and these rules unless waived by the supervisor. The application must contain the following:

- (2) A statement that the applicant is incorporated under the Washington Business Corporation Act or the Washington Nonprofit Corporation Act and a copy of applicant's Articles of Incorporation and Bylaws, properly certified.
- (3) A list of officers, directors, associates, and all holders of ten or more percent of any class of the applicant's capital stock.

(4) A statement of personal history of all those listed in subsection (3) of this section. SBA Form 1081 or its equivalent may be used.

(5) A copy of the most recent audited financial statement of any entity other than a natural person holding ten or more percent of any class of stock of the applicant.

(6) An organizational chart showing the relationship of the applicant to its affiliates, as well as the applicant's internal organizational structure.

(7) Copies of the last three audited financial statements of the applicant, and supporting tax returns.

(8) Applicant's business plan which should include at a minimum:

(a) A detailed pro forma financial projection for at least three years of operations.

(c) An explanation of applicant's method of funding loans, including the unguaranteed portion.

(d) An outline of loan servicing procedures proposed.

(e) Copies of written policies and procedures to be used, which must include policies requiring disclosure of conflicts of interest of affiliates, directors, officers, and employees; prohibiting false statements or representations to the supervisor; and preventing fraud or undue influence by the licensee.

(9) Certified copy of a resolution by the applicant's board of directors designating the person(s) authorized to act on behalf of applicant.

(10) An opinion of independent counsel that the applicant is in compliance with applicable state and federal laws in the formation and organization of the company, with applicable securities laws, and is chartered to conduct its business in the proposed operating area.

(11) Such marketing materials as may have been prepared that portray the nature of applicant's operations.

(12) Copies of all bonds in effect for directors, officers, and employees.

#### NEW SECTION

WAC 50-56-040 CONTINUING OPERATIONS. Licensees shall maintain an adequate financial condition.

(1) Minimum capital (unimpaired paid-in capital, surplus, and undivided profits) shall be in the amount of five hundred thousand dollars or five and one-half percent of total assets, whichever is greater, or a greater amount should the supervisor determine that applicant's business plan or economic conditions require a greater amount to conduct the business of a 7(a) lender. The supervisor may consider and include the net worth of any corporate shareholder of the applicant if the shareholder agrees to unconditionally guarantee the liabilities of the applicant and that shareholder agrees to the reporting requirements set forth in WAC 50-56-060.

(2) Capital below the required amount precludes the presentation of additional loans to the SBA for guaranty without the written consent of the supervisor.

(3) Licensees shall maintain a reserve for anticipated loan losses appropriate to its needs, based on the following factors:

(a) The volume and mix of the existing loan portfolio, including the volume and severity of nonperforming loans and adversely classified credits, as well as an analysis of net charge-offs experienced on previously classified loans.

(b) The extent to which loan renewals and extensions are used to maintain loans on a current basis and the degree of risk associated with such loans.

(c) The trend in loan growth, including any rapid increase in loan volume within a relatively short time period.

(d) General and local economic conditions affecting the collectibility of the licensee's loans.

(e) Previous loan loss experience by loan type, including net charge-offs as a percent of average loans over the past several years.

(f) The relationship and trend over the past several years of recoveries as a percent of previous year's charge-offs.

(g) Available outside information of a comparable nature regarding the loan portfolios of other such lenders.
